Approved Course List for BSW Students
2010-2012 Catalog

American History
*The statement “Partially fulfills the legislative requirement in American History” must be included in the description of the course. It is the student’s responsibility to double check that the course that they are registering for has the required statement, even if the course appears on the Approved Course List.
**Courses listed in AFR, AMS, or MAS, etc. will count when the course is cross-listed with the appropriate American History courses.
***CAUTION: There are courses that state, “Some topics may partially fulfill the legislative requirement in American History.” Not all of these courses will count toward the American History requirement. Check with your advisor for more information.
