

**THE UNIVERSITY OF TEXAS AT AUSTIN**  
**Steve Hicks School of Social Work**

**FULL NAME:** Catherine Cubbin (she | her)

**TITLE:** Clara Pope Willoughby Centennial  
Professor in Community Safety & Associate  
Dean for Research

**DATE OF BIRTH:** April 26, 1969

**CITZENSHIP:** U.S.A.

**EDUCATION:**

Stanford University	Postdoctoral Fellowship		1998-2000
Johns Hopkins University	Health and Social Policy	Ph.D.	Spring 1998
	Minor concentration: History of Public Health		
University of Pennsylvania	History and Sociology of Science	B.A.	Fall 1991
Temple University	Honors Program		1987-1989

**PROFESSIONAL REGISTRATION, LICENSES, CERTIFICATION:** n/a

**PROFESSIONAL APPOINTMENTS**

2022-present	Faculty Affiliate, Texas Center for Equity Promotion, University of Texas at Austin, Austin, TX
2021-present	Clara Pope Willoughby Centennial Professor in Community Safety & Associate Dean for Research, Steve Hicks School of Social Work, University of Texas at Austin, Austin, TX
2021-present	Courtesy Professor, Department of Health Social Work, Dell Medical School, University of Texas at Austin, Austin, TX
2020-present	Courtesy Professor, Department of Population Health, Dell Medical School, University of Texas at Austin, Austin, TX
2017-present	Full Member, LIVESTRONG Cancer Institutes, Dell Medical School, University of Texas at Austin, Austin, TX
2017-present	Faculty Expert, Institute for Urban Policy Research & Analysis, University of Texas at Austin, Austin, TX
2016-2021	Professor & Associate Dean for Research, Steve Hicks School of Social Work, University of Texas at Austin, Austin, TX
2008-2016	Associate Professor, Steve Hicks School of Social Work, University of Texas at Austin, Austin, TX
2008-present	Faculty Associate, Center for Women's & Gender Studies, University of Texas at Austin, Austin, TX
2008-present	Faculty Affiliate, Health Behavior Research and Training Institute, Steve Hicks School of Social Work, University of Texas at Austin, Austin, TX
2006-present	Faculty Scholar, Population Research Center, University of Texas at Austin, Austin, TX
2005-2008	Adjunct Assistant Professor, University of California San Francisco, San Francisco, CA

	San Francisco, CA, Department of Family & Community Medicine, Center on Social Disparities in Health
2002-2004	Assistant Research Scientist, University of California San Francisco, San Francisco, CA, Department of Family & Community Medicine, Center on Social Disparities in Health

## OTHER ACADEMIC EXPERIENCE

2000-2001	Principal Analyst, University of California San Francisco, San Francisco, CA, Department of Family & Community Medicine
2001-2004	Research Associate, Stanford Prevention Research Center, Palo Alto, CA
Fall 2000	Research Analyst, Stanford Prevention Research Center, Palo Alto, CA
1998-2000	NHLBI Post-Doctoral Fellow, Stanford Prevention Research Center, Palo Alto, CA, Cardiovascular Disease Prevention Training Program
1996-1998	ASPH/CDC Research Fellow, National Center for Health Statistics, Hyattsville, MD, Analysis of spatial patterns of leading causes of death
1995-1996	Intern, National Center for Health Statistics, Hyattsville, MD
1995-1996	Program Coordinator, Kennedy Krieger Institute, Baltimore, MD, Community-based lead poisoning prevention program in Baltimore
Summer 1994	Intern, Clinical Directors Network, NY, NY, Health Research Training Program, NYC Department of Health
1992-1994	Research Assistant, Johns Hopkins University Bloomberg School of Public Health, Baltimore, MD

## RESEARCH CONTRACTS/GRANTS AND PROPOSALS SUBMITTED

### Pending:

National Institutes of Health, Investigating the Model Minority Stereotype: Cultural and Social Determinants of Cardiovascular Disease and Risk Factors Among Asian American Subgroups, 2024-2028, \$2,227,896, Multiple Principal Investigator

National Institutes of Health, Childhood Asthma: Disease Course and Lung Function Trajectories and Air Pollution Exposure, 2023-2028, \$3,819,341, Co-Investigator

National Institutes of Health, Identifying research gaps and research waste in health disparities research: An evidence-based approach to research prioritization, 2022-2024, \$361,612, Co-Investigator

### Awarded:

National Institutes of Health, Research Training to Promote Scientist Diversity & Health Equity in Cardiovascular & Lung Disease, 2023-2028, \$1,726,225, Multiple Principal Investigator

Texas Center for Equity Promotion, Cardiovascular health among women during “established adulthood”: Neighborhood effects and county-level urban/rural status in Texas, 2023, \$5,607, Principal Investigator

National Institutes of Health, Urban planning, siting of air pollution sources, and asthma disparities, 2023-2027, \$3,088,413, Co-Investigator

National Science Foundation, Co-Creating a Community Hub for Smart Mobility: A University-Government-Nonprofit Partnership, 2021-2023, \$1,000,000, Co-Investigator  
 National Science Foundation, SCC-IRG Track 2: Integrating Information Flows and Supporting Communities as Decision-Makers in Response to Acute and Chronic Stressors, 2020-2024, \$1,409,305, Co-Investigator  
 National Institutes of Health, Post-doctoral Training in Promoting Health Equity in Cardiovascular Disease, 2018-2023, \$1,458,908, Principal Investigator

Completed:

Network on Life Course Health Dynamics and Disparities in 21st Century America (NLCHDD), County Built and Social Environments and Incidence of Cardiovascular Disease in the Health and Retirement Study, 2020-2021, \$25,000, Consultant  
 National Collegiate Athletic Association, An Examination of Barriers Related to Recruiting Student-Athletes From Low Socioeconomic Backgrounds: Insights from Division I Recruiters, 2019-2020, \$5,000, Principal Investigator (faculty liaison)  
 St. David's Foundation, Achieving health equity: Improving the maternal postpartum access and outcomes of Black/African American women in Travis County, 2018, \$299,999, Co-Investigator  
 St. David's Center for Health Promotion & Disease Prevention Research in Underserved Populations, Longitudinal neighborhood poverty change and racial disparities in birth Outcomes, 2017-2018, \$10,985, Principal Investigator  
 Institute for Urban Policy Research & Analysis, UT Austin, Understanding the Family Medical Leave Act and neighborhood histories on infant mortality and low birthweight of babies born to Black women, 2016-2017, \$20,500, Co-Investigator  
 Cancer Prevention and Research Institute of Texas, Increasing Breast and Cervical Cancer Screening and Diagnostic Services in Rural, Frontier, and Border Counties: A Sustainable Strategy to Improve Early Detection, 2012-2015, \$236,154, Principal Investigator (subcontract)  
 American Cancer Society, Environmental effects on disparities in smoking and obesity among women, 2011-2015, \$1,530,000, Principal Investigator  
 Texas Department of State Health Services, Transformation Grant, 2011-2014, \$116,803, Principal Investigator (subcontract)  
 University of Texas at Austin, Examining relations between residential segregation, political empowerment, and adverse birth outcomes among US births from 2008-2010, 2013, \$750, Co-Principal Investigator  
 University of Texas at Austin, Vegetables On Wheels (VOW): A pilot program to increase access to fresh fruits and vegetables in a rural Texas community, 2012, \$6,000, Principal Investigator  
 Texas Department of State Health Services, Obesity Prevention ARRA Evaluation, 2010-2012, \$220,000, Principal Investigator  
 American Legacy Foundation, Measuring wealth in health disparities research: Practical recommendations, 2008-2010, \$57,742, Principal Investigator  
 Texas Department of State Health Services, Texas Teen Opportunity Project, 2009-2010, \$361,641, Co-Investigator  
 Robert Wood Johnson Foundation, Building the knowledge base on the socioeconomic gaps in

health: Robert Wood Johnson Foundation Commission on Health in America, 2008-2009, \$56,134, Principal Investigator (sub-contract)

Population Research Center, UT Austin, Proposal Boot Camp, 2007, \$9,270, Principal Investigator

National Institutes of Health, Neighborhood-level Influences on All-Cause Mortality, 2006-2007, \$65,458, Principal Investigator (sub-contract)

National Institutes of Health, Maintaining Physical Activity in Ethnic Minority Women, 2005-2007, \$2,303,240, Co-Investigator

Robert Wood Johnson Foundation, Building the knowledge base on the socioeconomic gaps in health: Robert Wood Johnson Foundation Commission on Health in America, 2005-2006, \$266,104, Co-Investigator

Centers for Disease Control, Center on Social Disparities in Health, 2002-2006, \$1,714,781, Co-Investigator

National Institutes of Health, Longitudinal Study of Neighborhood Predictors of CVD, 2002-2006, \$1,763,132, Consultant

National Institutes of Health, Neighborhood-level Influences on All-Cause Mortality, 2001-2005, \$2,332,623, Co-Investigator

Kaiser Family Foundation, Interpreting Social Disparities in Maternal and Infant Health at the State Level, 2000-2002, \$216,529, Co-Investigator

Centers for Disease Control, Social Disparities in Maternal and Infant Health, 2000-2006, \$374,872, Co-Investigator

#### Unfunded:

Center for Health and Environment: Education & Research, Measuring the Digital Environment: A Mixed Methods Pilot Study of Smartphone Usage and Chronic Disease-Related Health Among Mexican Immigrant Adults, \$15,000, Co-Investigator

National Institutes of Health, FIRST Texas Catalyst Cohort, 2022-2027, \$12,254,836, Co-Investigator

Network on Life Course Health Dynamics and Disparities in 21st Century America (NLCHDD), Cardiovascular health among women during “established adulthood”: Neighborhood effects and county-level urban/rural status in Texas, 2023, \$47,490, Principal Investigator

National Institutes of Health, Training Faculty in Mentoring Excellence for Mentees from Underrepresented Minority Groups, 2022-2023, \$261,257, Principal Investigator

National Institutes of Health, The Texas Home Assessment of Asthma and Lung Exposures (TexHALE), 2022-2027, \$3,947,361, Co-Investigator

St. David’s Center for Health Promotion and Disease Prevention Research in Underserved Populations, Neighborhood racial/ethnic & socioeconomic characteristics and their impact on birth outcomes among Asian Americans in TX, \$20,595, Principal Investigator

National Institutes of Health, FIRST Texas Catalyst Cohort, 2021-2026, \$13,533,439, Co-Investigator

Los Angeles County Department of Public Health, Los Angeles County Health Survey, 2021-2024, \$3,500,000, Principal Investigator

Robert Wood Johnson Foundation, Environmental Effects on Incidence of Cardiovascular Disease: Results from the OCHIN ADVANCE Collaborative Data, 2021-2022, N/A: data access only, Co-Investigator

National Institutes of Health, Texas Consortium on Air Quality Inequity and Lung Health Disparities, 2021-2024, \$1,881,721, Co-Investigator

National Institutes of Health, Firearm Suicide & Homicide (FiSH): patterns by socioeconomic status & state-level policy impacts, 2021-2023, \$706,608, Principal Investigator

William T. Grant Foundation, “Unintended Consequences”: Collateral Consequences for Drug Convictions and Social Disadvantage among Black Children, 2021-2023, \$326,143, Consultant

National Institutes of Health, The Texas Center of Air Quality Inequity and Latinx Lung Health Disparity (TX-AQUI), 2020-2025, \$7,375,133, Co-Investigator and Director of the Investigator Development Core

National Endowment for the Arts, Popform: a Creative K-12 Tool for Interpreting Art and Nature, 2020-2022, \$93,203, Co-Investigator

St. David’s Center for Health Promotion & Disease Prevention Research in Underserved Populations, Assessing needs for Parkinson’s disease-related resources in Central Texas for underserved populations, 2020-2021, \$17,000, Co-Investigator

Robert Wood Johnson Foundation, Equal access to quality and affordable early childhood education: Dismantling structural inequities through re-designing local policies, 2019-2021, \$250,000, Co-Investigator

Robert Wood Johnson Foundation, Equal access to quality and affordable early childhood education: Dismantling structural inequities through re-designing local policies, 2019-2022, \$349,949, Co-Investigator

St. David’s Foundation, The Mama Collaborative, 2018-2019, \$93,298, Evaluator

St. David’s Foundation, Achieving Maternal and Infant Health Equity in Central Texas, 2017-2019, \$99,992, Collaborator

Dell Medical School, Texas Health Catalyst Program, SoDePH (Social Determinants of Perinatal (Population) Health: Leveraging Technology to Deliver Efficient Care for Providers, Patients, & Health Systems, 2017-2018, \$50,000, Principal Investigator

University of Texas at Austin, UT Pop Up Institute: Analyzing housing problems facing low income renters in formal and informal housing markets: linking analysis to action through collaborative research, May-June, 2017, \$34,173, Co-Investigator

Cancer Prevention and Research Institute of Texas, Increasing Breast and Cervical Cancer Screening and Diagnostic Rates in Rural, Frontier, Border and Underserved Communities in Texas, 2016-2018, \$120,451, Principal Investigator (subcontract)

National Institutes of Health, Longitudinal neighborhood poverty change and racial disparities in birth outcomes, 2016-2018, \$147,199, Principal Investigator

National Institutes of Health, Contributions of neighborhood socioeconomic histories to Black/White disparities in birth outcomes and mortality, 2016-2019, \$1,511,325, Principal Investigator

National Institutes of Health, Novel approaches to examining Black/White disparities in birth outcomes and child health, 2015-2018, \$1,284,860, Principal Investigator

National Institutes of Health, Are Road Safety Advances Distributed Equitably?, 2012/2014, \$525,300, Consultant

National Institutes of Health, Maternal Weight in Pregnancy: Risks for Hispanic Women on the US-Mexico Border, 2011-2013, \$750,000, Co-Investigator

National Institutes of Health, Building Evidence for Residential Effects on Dietary Habits and Physical Activity, 2009-2013, \$2,089,028, Principal Investigator

National Institutes of Health, Innovation in Understanding Disparities in Maternal and Infant Health, 2009-2011, \$669,820, Principal Investigator  
 American Society of Clinical Oncology, The ASCO Study of Geographical Access to Oncology Care, 2010-2011, \$169,471, Co-Principal Investigator (with Barbara Jones)  
 National Campaign to Prevent Teen and Unplanned Pregnancy, Coming out of the Fog Zone: How lack of knowledge, beliefs and fears are related to unprotected sexual behavior, 2010-2011, \$39,884, Principal Investigator  
 National Institutes of Health, Life Course Socioeconomic Factors & the Black/White Disparity in Low Birthweight, 2006-2008, \$307,250, Co-Investigator

## HONORS AND AWARDS

2023	Top 30 - University of Texas at Austin, and Top 2,500 - U.S., in Best Scientists - Social Sciences and Humanities, Research.com
2022	Outstanding Graduate Teaching Award, Graduate School, University of Texas at Austin
2021	Inducted into the American Academy of Social Work and Social Welfare
2019	The 100 Most Influential Contemporary Social Work Faculty as Assessed by the H-Index, <i>Journal of Social Service Research</i> 2019;45:696-700.
2019	Diana DiNitto Peer Faculty Mentor Award, Steve Hicks School of Social Work, May 14, 2019
2017	University of Texas Executive Management and Leadership Program, Spring, 2017
2017	High Abstract Award, International Conference on Transport & Health, Barcelona, Spain, June, 2017
2015-2016	Public Voices Fellow, Op-Ed Project
2015	Dissertation Co-Chair for doctoral student, Paula Yuma, recipient of the Outstanding Dissertation Award given by University of Texas at Austin
2014	Texas A&M AgriLife Extension Superior Service Awards Program, Community Transformation Team: Working on Wellness in Starr County
2014	ORAU, Travel Grant
2010	Award of Appreciation for commitment and dedication to reducing tobacco-related health disparities by advancing the science, translating knowledge into practice, and informing policy, Tobacco Research Network on Disparities (TReND)
2010-2011	<i>Diversity Mentoring Fellowship</i> , awarded on a competitive basis to faculty for the purpose of mentoring incoming graduate students, University of Texas at Austin
2008-2009	<i>Faculty Fellow</i> , Center for Women's and Gender Studies Faculty Development Program, University of Texas at Austin
2008	Faculty Incentive Grant, College of Liberal Arts, University of Texas at Austin, \$2,000
2001-2006	<i>Health Disparities Scholar</i> , NCMHD, NIH
2005	UCSF Academic Senate, Travel Grant
2004	<i>Champion of Diversity</i> , University of California, San Francisco
2002	Plenary Speaker, Injury Prevention: Creating an Agenda for Action, Springfield, Illinois
2002	Distinguished Visiting Scholar, University of Kansas Medical Center, Program in

- Disparities and Diversity in Health
- 2000 Fellow, 26<sup>th</sup> Ten-Day Seminar on the Epidemiology and Prevention of Cardiovascular Disease, American Heart Association, Tahoe City, CA
- 1998-2000 Post-Doctoral Fellow, National Heart, Lung, and Blood Institute, NIH
- 1999 Katherine McCormick Fund for Women, Travel Award
- 1998 Delta Omega Society/Alpha Chapter, Johns Hopkins University Bloomberg School of Public Health
- 1996-1998 Pre-Doctoral Fellowship, Association of Schools of Public Health/CDC
- 1994 Passed comprehensive exams with distinction
- 1987-1989 Outstanding Achievement Scholarship, Temple University

## **PRESENTATIONS**

### **Invited (as presenting author only)**

Racial and Ethnic Disparities in Cervical and Breast Cancer Screenings by Nativity and Length of U.S. Residence, TXPoP conference, Population Research Center, University of Texas at Austin, April 28, 2023.

Air Pollution and Health Disparities, Healthscape Symposium Panelist, Dell Medical School, University of Texas at Austin, November 30, 2022.

Grant Funding Opportunities at UT and Other Local Resources, Lunch & Learn Panelist, Latino Research Institute, University of Texas at Austin, November 16, 2022.

Faculty Presenter, Bridging Disciplines Program Certificate Ceremony, University of Texas at Austin, May 19, 2022.

Structural racism, neighborhood context, and cardiovascular disease, Academic Model Providing Access to Healthcare, Dell Medical School and Texas Global, University of Texas at Austin, April 28, 2022.

Institutional Racism, Neighborhood Context & Population Health, Center for Health and Environment: Education and Research (CHEER), Dell Medical School, September 15, 2021.

Overcoming Authorship Disputes: How to Navigate Differences in Scholarly Opinions, panelist for the Good Research Integrity Training (GRIT) Talk Series, Office of Research Support and Compliance, Office of the Vice President for Research, November 16, 2021.

Writing Partnerships, PhD student Colloquium, Steve Hicks School of Social Work, February 12, 2020.

Developing A Successful Career As An Associate Dean For Research, Pre-Conference Training Workshop, Society for Social Work and Research, Washington D.C., January 16, 2020.

Neighborhood SES and preterm birth (& other outcomes) revisited: comparing cross-sectional measures to longitudinal poverty trajectories, Texas Public Health Student Organization, University of Texas at Austin, November 13, 2019.

Treating the Neighborhood as a Patient, Sharing Knowledge Conference, Robert Wood Johnson Foundation, Houston, TX, March 7, 2019.

Friend to Friend + Patient Navigation: Increasing Breast & Cervical Cancer Screening among Rural Women in TX, LIVESTRONG Cancer Institutes, 2018 Clinical Research Retreat: Focus on Cancer Control and Prevention, November 28, 2018.

Panelist for the Dell Med Research Open House Event - Radical Collaboration: Connecting Health Researchers Across UT Austin, September 28, 2018.

Neighborhood SES and preterm birth (& other outcomes) revisited: comparing cross-sectional measures to longitudinal poverty trajectories, Steve Hicks School of Social Work, BSW Research Methods guest lecture, April 10, 2018.

Neighborhood SES and preterm birth (& other outcomes) revisited: comparing cross-sectional measures to longitudinal poverty trajectories, School of Social Services Administration, University of Chicago, March 29, 2018.

Panelist for the Otis Lecture given by Sacoby Miguel Wilson, Environmental Justice, Racism, and Health Disparities: Use of Community-Engaged Research for Capacity-Building,

"Inpowerment," and Action, March 21, 2018.

An Introduction to Hierarchical Linear Modeling, Austin Independent School District, 11/3/17.

Writing op-eds to advance social justice & public health, Annual Meeting of the American Public Health Association, Atlanta, GA, November 6, 2017.

Neighborhood Effects Research from a Social Epidemiology Lens, guest lecture for Social Inequality, Health, and Policy, March 20, 2017.

Contextual Factors and Inequalities in Health and Mortality, Population Association of America 2017 Annual Meeting, Chicago, IL, April 28, 2017.

Social justice and health: How to think like a social scientist, Young Scientist Day, Travis Heights Elementary School, November 10<sup>th</sup>, 2016.

Research Activities in the Steve Hicks School of Social Work. Presentation to the Steve Hicks School of Social Work Advisory Council, The University of Texas at Austin, October 14, 2016.

Tailoring your Mentoring Experience and Other Useful Tips: Are you getting what you need from your mentor? Post-Doc Appreciation (Professional Development) Week, The University of Texas at Austin, September 21, 2016.

Social Cohesion and Food Insecurity: Insights from the Geographic Research on Wellbeing (GROW) Study, School of Nursing, The University of Texas at Austin, September 9, 2016.

Friend to Friend + PN: Increasing Breast & Cervical Cancer Screening among Rural Women, Steve Hicks School of Social Work, University of Texas at Austin, June 20, 2016.

Neighborhood Effects Research from a Social Epidemiology Lens: An Overview and New Results on Smoking Cessation, Steve Hicks School of Social Work, University of Texas at Austin, April 5, 2016.

Neighborhood Effects Research from a Social Epidemiology Lens: An Overview and New Results on Preterm Birth, Steve Hicks School of Social Work, University of Texas at Austin, February 18, 2016.

Neighborhood Selection: Latest Findings from the Geographic Research on Wellbeing (GROW) Study, Population Research Center, UT Austin, November 20, 2015.

Beyond the Cross-sectional: Neighborhood Poverty Histories and Preterm Birth, Clinical Directors Network, webcast, July 30, 2015.

Social inequalities in multiple chronic disease risk factors among a population-based sample of Latinas in California, National Hispanic Science Network, San Antonio, June 26, 2015.

Social Inequalities in Health: Race, Class, and Residential Segregation, Alumni College, University of Texas at Austin, June 10, 2015.

Lessons learned in developing a research agenda: Neighborhood Context and Maternal and Child Health, School of Medicine, Johns Hopkins University, May 7, 2015.

The Geographic Research on Wellbeing (GROW) Study: Effects of Neighborhood Change on Pre-term Birth, Kinder Institute Urban Health Program, Rice University, April 14, 2015.

Neighborhood Effects Research from a Social Epidemiology Lens: An Overview and New Results on Preterm Birth, School of Nursing, University of Texas at Austin, February 20, 2015.

The Geographic Research on Wellbeing (GROW) Study: Effects of Neighborhood Change on Pre-term Birth, Population Studies and Training Center, Brown University, February 4, 2015.

Celebrating & Critically Reflecting on 20 Years of The Spirit Of 1848: Passion, Politics, And Public Health, American Public Health Association, November 18, 2014.

The Geographic Research on Wellbeing (GROW) Study: Design & Methodology, Lessons

Learned, & Preliminary Results, Population Research Center, UT Austin, October 17, 2014.

Conducting surveys in social work settings: Practical recommendations, webinar for continuing education, Steve Hicks School of Social Work, UT Austin, November 20, 2013.

Going Upstream: A Social Epidemiologist's Research Perspective on Neighborhood Environments and Health, UT Health Sciences Center School of Public Health-Austin Regional Campus, November 13, 2013.

Going Upstream: A Social Epidemiologist's Research Perspective on Neighborhood Environments and Health, Dell Pediatric Research Institute, November 11, 2013.

Texas Putting Prevention to Work: Evaluation Findings, Texas Department of State Health Services Statewide Obesity Summit, Austin, April 11, 2012.

How I got here and important lessons I learned along the way, PhD Colloquium, Steve Hicks School of Social Work, UT Austin, January 25, 2012.

Texas Putting Prevention to Work: Midcourse Evaluation Findings. Texas Department of State Health Services, CDC site visit, Austin, TX, August 26, 2011.

Going upstream: Neighborhood influences on obesity and smoking among women and children. Texas Department of State Health Services, Research Colloquium, Austin, TX, April 26, 2011.

Going upstream: Neighborhood influences on obesity and smoking. Health Promotion: Upstream Approaches to Advancing Health in Underserved Populations, Center for Health Promotion and Disease Prevention Research in Underserved Populations (CHPR), School of Nursing, University of Texas at Austin, March 30, 2011.

Going Upstream: Neighborhood Influences on Smoking and Obesity among Women and Children. Research Colloquium, Steve Hicks School of Social Work, University of Texas at Austin, March 2, 2011.

Recommending feasible measures of wealth for tobacco-related disparities research: Findings from two nationally-representative surveys, Making the Difference in Tobacco-Related Health Disparities Science: TReND Progress, Process, and Opportunities for Future Investment, Bethesda, MD, October 25, 2010.

How I got here, what I'm doing, and practical lessons I learned along the way, PhD Colloquium, Steve Hicks School of Social Work, UT Austin, April, 2010.

Community-level theories, Advanced Training Institute in Health Behavior Theory, Madison, WI, July, 2010.

Recommending feasible measures of wealth for health research: Findings from two nationally-representative surveys, Center for Studies in Demography and Ecology, University of Washington, Seattle, WA, March, 2010.

Discussant, "The associations of tobacco outlet density, sales, and marketing with neighborhood demographics, and their impact on smoking cessation: new directions for tobacco control policy," Society for Research on Nicotine and Tobacco, Baltimore, MD, February, 2010.

Recommending feasible measures of wealth for health research: Findings from two nationally-representative surveys, Population Research Center Brown Bag seminar, UT Austin, February, 2010.

The Robert Wood Johnson Foundation's Commission to Build a Healthier America—Research and Recommendations, Steve Hicks School of Social Work Advisory Council meeting, UT Austin, October, 2009.

Developing feasible measures of wealth in health research, Tobacco Research Network on Disparities (TReND) meeting, NCI, June, 2009.

Developing feasible measures of wealth in health research, California Center for Population Research, UCLA, May, 2009.

Residential segregation, built environments, and women's health, Center for Women's and Gender Studies colloquium, University of Texas Austin, March, 2009.

Social inequalities, neighborhood context, and health, Steve Hicks School of Social Work colloquium, University of Texas Austin, April, 2008.

Measuring SES in studies of racial/ethnic disparities, Tobacco Research Network on Disparities (TReND) meeting, Washington, DC, September, 2006.

Neighborhood context and sexual behaviors among adolescents, Gender, Relationships, and Health conference, Center for Women's & Gender Studies, University of Texas Austin, October, 2005.

A collaborative effort to examine social disparities in youth assets and risk behaviors, Grantee Meeting, Unintended Teen Pregnancy Prevention Program, CDC, Atlanta, GA, February, 2005.

Neighborhood social context and health: recurring challenges in measurement, Kellogg Disparities Scholars site visit, San Francisco, CA, January, 2005.

Critical reflections on linking social justice and public health, Annual Meeting of APHA, Washington, DC, November, 2004.

Measurement and interpretation of socioeconomic status/position in studies of racial/ethnic disparities in injuries: How can we do better?, Annual Meeting of APHA, Washington, DC, November, 2004.

Discussant, Health and Income Conference, Davis, CA, May 21-22, 2004.

Measuring and interpreting SES/position in studies of racial/ethnic disparities in health, Social Epidemiology Research Division/Cardiovascular Research Institute, Morehouse School of Medicine, Atlanta, GA, March 30, 2004.

Social disparities and neighborhood context: Effects on adolescent sexual behaviors using data from the National Longitudinal Survey of Adolescent Health, Center on Social Disparities in Health/Institute for Health Policy Studies, UCSF, San Francisco, CA, January 26, 2004.

Social disparities and neighborhood context: Effects on adolescent sexual behaviors using data from the National Longitudinal Survey of Adolescent Health, Division of Reproductive Health and the Division of Adolescent and School Health, CDC, Atlanta, GA, January 22, 2004.

Measuring SES/position in studies of racial/ethnic disparities: Examples from maternal and infant health, APHA pre-conference sponsored by the Black Caucus of Public Health Workers (APHA), the Society for the Analysis of African-American Public Health Issues, and The NETWORK, San Francisco, CA, November 2003.

Measuring SES/position in studies of racial/ethnic disparities: Examples from maternal and infant health, Family Medicine, Karolinska Institute, Stockholm, Sweden, September, 2003.

Spirit of 1848: A Network Linking Politics, Passion, and Public Health, Southern California Public Health Association Annual Meeting, Cerritos, CA, May, 2003.

Neighborhood Socioeconomic Status and Delayed Prenatal Care, Primary Care Research Symposium, UCSF, San Francisco, CA, May, 2003.

Going upstream: Social Disparities in Injury, Injury Prevention: Creating an Agenda for Action, Springfield, IL, July, 2002.

Why are Social Disparities a Public Health Concern, Cook County Hospital, Department of Trauma, Chicago, IL, July, 2002.

A Social Epidemiology Framework for Studies of Socioeconomic and Racial/Ethnic Disparities in Health, University of Kansas Medical Center, Distinguished Visiting Scholar Series, Kansas City, KS, April, 2002.

Going Upstream: Social Inequality and Homicide, TraumaLink Research Center, Children's Hospital of Pennsylvania and University of Pennsylvania, Philadelphia, PA, October, 2000.

Examining Spatial Correlates of Mortality Using GIS, Annual Meeting of APHA, Washington, DC, November, 1998.

Clinical Measures Survey and Evaluation Project, Bureau of Primary Health Care Clinical Measures Pilot Group Meeting, Bethesda, MD, October 11, 1994.

### **Other presentations (as presenting author only)**

Familial childhood adversity is associated with chronic disease among women: Data from the Geographic Research on Wellbeing (GROW) study, Annual Meeting of APHA, San Diego, CA, November 12, 2018.

Neighborhood economic historical change and racial disparities in birth outcomes: A case study of TX, Interdisciplinary Association of Population Health Science, Washington, DC, October 4, 2018.

Unsafe Neighborhoods are Associated with Active Transportation among Poor Women, International Conference on Transport and Health, Barcelona, Spain, June 28, 2017.

Are Leisure and Work Physical Activity Associated with Active Transport? Evidence from the GROW study, International Conference on Transport and Health, San Jose, CA, June 15, 2016.

Changes in social/economic circumstances and obesity among women: GROW study, Annual Meeting of APHA, Chicago, IL, November 2, 2015.

Racial/ethnic disparities in depression symptoms during pregnancy among women: The contribution of income and neighborhood poverty, Annual Meeting of APHA, Boston, MA, November 4, 2013.

Depression during pregnancy: Interactions between race/ethnicity, income & neighborhood SES. Society for Epidemiologic Research annual meeting, Boston, MA, June 19, 2013.

Socioeconomic disparities in tobacco-related health outcomes across race/ethnic groups in the United States: National Health Interview Survey 2010, Annual Meeting of APHA, San Francisco, CA, October 28, 2012.

Social inequalities in neighborhood conditions: Spatial relationships between sociodemographic and food environments in Alameda County, California, Annual Meeting of APHA, San Francisco, CA, October 29, 2012.

Texas Putting Prevention to Work: A Process-Focused Program Evaluation, Annual Meeting of APHA, San Francisco, CA, October 30, 2012.

Using latent class growth analysis to define neighborhood poverty trajectories over 4 decades in California, Society for Epidemiologic Research annual meeting, Minneapolis, MN, June 30, 2012.

Teen fertility in Texas: A qualitative approach to examining the role of future orientation toward education, Maternal and Child Health Epidemiology annual meeting, San Antonio, TX, December, 2010.

Developing feasible measures of wealth in studies of health, Annual Meeting of APHA, Denver, CO, November, 2010.

Intersection of gender, race/ethnicity, and socioeconomic position in smoking behaviors among

menthol and non-menthol smokers, Annual Meeting of APHA, Denver, CO, November, 2010.

Racial/ethnic disparities and teen fertility in Texas: A qualitative approach to examining the role of future orientation, Annual Meeting of APHA, Denver, CO, November, 2010.

Developing feasible measures of wealth in health research, Population Association of America annual meeting, Dallas, TX, April, 2010.

Developing feasible measures of wealth in health research, Society for Epidemiologic Research annual meeting, Anaheim, CA, June, 2009.

Income inequality in obesity among women and men by gender and race/ethnicity, 1988-1994 to 1999-2004. Annual Meeting of APHA, Philadelphia, PA, October 29, 2008.

Excess Mortality among Low SES Adults in High SES Neighborhoods, Department of Family and Community Medicine, UCSF, Colloquium, May 10, 2007.

Exploring mediating & moderating factors on pathways between neighborhood context and initiation of sex among adolescents, Department of Family and Community Medicine, UCSF, research seminar, May 19, 2006.

Does neighborhood poverty contribute to social disparities in maternal and infant health? Annual Meeting of APHA, Philadelphia, PA, December 13, 2005.

Neighborhood deprivation and alcohol consumption: Does the availability of alcohol play a role? Annual Meeting of APHA, Philadelphia, PA, December 13, 2005.

Exploring factors on pathways between neighborhood context and initiation of sex among adolescents, Annual Meeting of APHA, Philadelphia, PA, December 13, 2005.

Neighborhood-level deprivation and health knowledge, behavior changes, and risk of coronary heart disease, Annual Meeting of APHA, Philadelphia, PA, December 12, 2005.

Exploring factors on pathways between neighborhood context and initiation of sex among adolescents, 11<sup>th</sup> Annual Maternal and Child Health Epidemiology Conference, Miami, FL, December 7, 2005.

Considerations in measuring neighborhood-level socioeconomic context in multilevel analyses of maternal and infant health, 10<sup>th</sup> Annual Maternal and Child Health Epidemiology Conference, Atlanta, GA, December 9, 2004.

Neighborhood context and sexual behaviors among adolescents: Findings from the National Longitudinal Study of Adolescent Health, 10<sup>th</sup> Annual Maternal and Child Health Epidemiology Conference, Atlanta, GA, December 9, 2004.

Neighborhood environments and sexual behaviors among adolescents in the U.S., Diversity Week, UCSF, San Francisco, CA, October 20, 2004.

Neighborhood context and sexual behaviors among adolescents: Longitudinal findings, Add Health Users Workshop, NIH, Bethesda, MD, July 21, 2004.

Measuring SES in studies of racial/ethnic disparities: Examples from maternal and infant health, 9<sup>th</sup> Annual Maternal and Child Health Epidemiology Conference, Tempe, AZ, December 10, 2003.

Pathways between neighborhood-level material deprivation and chronic diseases, Annual Meeting of APHA, San Francisco, CA, November, 2003.

Interpreting the policy implications of social disparities in unintended pregnancy, 8<sup>th</sup> Annual Maternal and Child Health Epidemiology Conference, Clearwater, FL, December 12, 2002.

Describing and understanding social disparities in unintended pregnancy, Annual Meeting of APHA, Philadelphia, PA, November, 2002.

Measuring Socioeconomic Status/Position in Studies of Racial/ethnic Disparities: Examples

from Maternal and Infant Health, Research Methods Seminar, Stanford Center for Research in Disease Prevention, Palo Alto, CA, October, 2002.

Neighborhood level measures of socioeconomic context in maternal and infant health, Annual Meeting of APHA, Atlanta, GA, October, 2001.

Neighborhood context and cardiovascular disease risk factors: the contribution of material deprivation, Annual Meeting of APHA, Boston, MA, November, 2000.

Using Race/ethnicity and Socioeconomic Status in Epidemiologic Research, Research Methods Seminar, Stanford Center for Research in Disease Prevention, Palo Alto, CA, March, 2000.

Individual SES, Neighborhood Deprivation, and their Effects on Risk Factors for CVD: A Contextual Analysis, Society for Epidemiologic Research, Baltimore, MD, June, 1999.

Overview and Demonstration of a GIS to Examine Geographic Patterns of U.S. Mortality Rates, Environmental Protection Agency, GIS Users Group, Washington, DC, April, 1998.

Overview and Demonstration of a GIS to Examine Geographic Patterns of U.S. Mortality Rates, Washington Statistical Society seminar series, Hyattsville, MD, February, 1998.

A Multilevel Analysis of Socioeconomic Status and Injury Mortality, Annual Meeting of APHA, Indianapolis, IN, November, 1997.

Socioeconomic Status and Nonfatal Injury: Individual and Neighborhood Determinants, Annual Meeting of APHA, Indianapolis, IN, November, 1997.

Socioeconomic Status and Nonfatal Injury: Individual and Neighborhood Determinants, Annual Meeting of the Southern Demographic Association, Orlando, FL, September, 1997.

Matching Lead-Poisoned Children to Lead-Safe Housing: Evaluation of Efforts in Baltimore, MD, Annual Meeting of APHA, NY, NY, November, 1996.

Socioeconomic Status and Injury Mortality: Individual and Neighborhood Determinants, Annual Meeting of APHA, NY, NY, November, 1996.

Clinical Measures Survey and Evaluation Project - Preliminary Results and Recommendations, Clinical Directors Network and Clinical Regional Advisory Network Annual Clinical Leadership Conference, Lancaster, Pennsylvania, August, 1994.

## **ADMINISTRATIVE, COMMITTEE, AND PROFESSIONAL SERVICE**

### **Memberships**

2019-2022	Member, Interdisciplinary Association for Population Health Science
2014-2017	Member, Central Texas Perinatal Coalition
2008-present	Member, Society for Social Work Research
2008-present	Member, Population Association of America
2009-2016	Member, Society for Epidemiologic Research
2006-2010	Member, Tobacco Research Network on Disparities (TReND), NCI and The American Legacy Foundation
2000-2008	Affiliate Faculty Member, Center on Health and Community, UCSF
1997-present	Spirit of 1848 (Caucus of the American Public Health Association) Co-Chair, Politics of Public Health Data Committee, Coordinating Committee Member
1993-present	Member, American Public Health Association

### **Grant proposal and abstract reviews**

2023	Program Committee, Population Association of America, 2024 Annual Meeting
2022	Grant reviewer, pilot grants program, St. David's Center for Health Promotion and Disease Prevention Research in Underserved Populations
2022	Grant reviewer, Diversity in Cancer Research Institutional Development grant, American Cancer Society
2022	Grant reviewer, pilot grants program, Round One, LIVESTRONG Cancer Institutes, University of Texas at Austin
2022	Grant reviewer, pilot grants program, Center for Health and Environment: Education and Research (CHEER), University of Texas at Austin
2021	Grant reviewer, Special Emphasis Panel, Transformative Research to Address Health Disparities and Advance Health Equity, National Institutes of Health
2021	Abstract reviewer, St. David's Center for Health Promotion and Disease Prevention Research in Underserved Populations, annual meeting
2020	Grant reviewer, TheoryLab pilot grants program, American Cancer Society
2020	Grant reviewer, PRAMS, CDC
2015	Grant reviewer, Marsden Fund, Royal Society of New Zealand
2013-2017	Grant reviewer, Cancer Control and Prevention: Psychosocial and Behavioral Research, American Cancer Society
2013	Ad-hoc grant reviewer, Cancer Control and Prevention: Psychosocial and Behavioral Research, American Cancer Society
2009	Grant reviewer, Challenge Grants, NIH
2008	Special Emphasis Panel, Grants for Public Health Research Dissertation, Office of Public Health Research, CDC
2006, 2007	Abstract reviewer, Environmental and Contextual Factors in Health and Behavior Change Track, Society of Behavioral Medicine
2005	Intramural RFA Reviewer, Division of Reproductive Health, CDC
2004	Special Review Panel, Supplements for Methodological Innovations in the Behavioral and Social Sciences, NIH Roadmap Initiative

### **Ad hoc peer reviewer**

*American Journal of Epidemiology; American Journal of Health Promotion; American Journal of Preventive Medicine; American Journal of Public Health; BMC Public Health; DuBois Review; Ethnicity and Disease; Health and Place; Health Services Research; International Journal of Behavioral Nutrition and Physical Activity; International Journal of Epidemiology; Journal of Adolescent Health; Journal of Epidemiology and Community Health; Journal of Health Care for the Poor and Underserved; Journal of Women's Health; Lancet; Maternal and Child Health Journal; Public Health Reports; Social Science and Medicine*

### **Editorial responsibilities**

2019-2022	Deputy Editor, <i>Demography</i>
2014-2022	Associate Editor, <i>Health &amp; Place</i>
2011-2016	Tobacco-Related Health Disparities Monograph, National Cancer Institute, National Institutes of Health

## **Advisory boards/consultancies/planning committees**

2022-present	Data Safety and Monitoring Board, CHOICES-TEEN: Efficacy of a Bundled Risk Reduction Intervention for Juvenile Justice Females, (R01 DA050670, MPI: Parrish, von Sternberg)
2018-2019	Planning Committee, Maternal Mental Health and Wellness Conference, Steve Hicks School of Social Work
2015	Planning Committee, Partners in Austin Transforming Health (PATH) Conference on Social Inequality and Health in Central Texas
2014-2017	Consultant, Working on Wellness (WOW) in Hidalgo County, PI: Carol Rice, AgriLife Extension, Texas A&M University
2013-2015	Consultant, Behavior Related to Cancer Risk Among African American College Students, PI: Kentya Ford, University of Texas at Austin, NIH (NCI), 9/13-8/15.
2012	School Health Advisory Committee (SHAC), East Austin College Preparatory Academy, Austin, TX
2010-2012	Technical Advisory Committee, Children's Optimal Health, Austin, TX
2007-2010	Scientific Advisory Panel Member, Retail food environment study, PolicyLink, UCLA, and California Center for Public Health Advocacy
2007-2010	Scientific Advisory Board Member, School Lunch Initiative evaluation project, PI: May Wang, PhD, University of California, Berkeley
2005-2009	Scientific Advisory Board Member and Consultant, Maintaining Physical Activity in Ethnic Minority Women, PI: Rebecca E. Lee, PhD, University of Houston, Houston, TX, NIH (NCI), 7/05-6/10
2005-2009	Consultant, Environmental Correlates of Leisure and Transportation Walking of Residents of Public Housing, PI: Rebecca E. Lee, PhD, University of Houston, Houston, Robert Wood Johnson Foundation, 1/05-12/07
2005-present	Advisory Board Member, March Fifth Fund, Philadelphia, PA
2004-2005	Consultant, Levels of Analysis for the Study of Environmental Health Disparities, EPA, Washington, DC
2004	Consultant, National Children's Study, NIH, Bethesda, MD
2003-2005	Consultant, Racism, Coping and Ambulatory Blood Pressure, PI: Elizabeth Brondolo, PhD, St. John's University, NY, NY
2003-2004	Consultant, An Analysis of Environmental Risk Factors for Obesity, PI: Walker S. Carlos Poston, PhD, University of Missouri-Kansas City, MO
2002-2005	Advisory Board Member, African Youth Development, Tacoma Park, MD

## **Scientific sessions**

Presider: "Contested histories and politics of US Census racial/ethnic data: implications for analyzing structural racism and health equity" Annual Meeting of APHA, Boston, MA, November, 2022.

Presider: "Responsible Conduct of Research: Lessons Learned from Working with Vulnerable Populations," Steve Hicks School of Social Work, Austin, TX, May, 2022.

Presider: "Responsible Conduct of Research: Lessons Learned from Working with Vulnerable Populations," Steve Hicks School of Social Work, Austin, TX, April, 2020.

Presider: "Responsible Conduct of Research: Lessons Learned from Working with Vulnerable

Populations,” Steve Hicks School of Social Work, Austin, TX, April, 2019.

Presider: “A Chicago case example of public health professionals allying with community members for the collective struggles for health equity,” Annual Meeting of APHA, San Diego, CA, November, 2018.

Presider: “Counting to Make People Count for Health Equity,” Annual Meeting of APHA, New Orleans, LA, November, 2014.

Presider: “Politics of public health data: Global climate change, public health and health equity,” Annual Meeting of APHA, Boston, MA, November, 2013.

Presider: “Critical perspectives on lifecourse and time trend analyses: Social justice & the politics of public health data,” Annual Meeting of APHA, San Francisco, CA, October, 2012.

Presider: “Discrimination, health, and the politics of public health data: New evidence, broad perspectives,” Annual Meeting of APHA, Washington, DC, November 2011.

Presider: “The Politics of Public Health Data: The Mainstreaming of Social Justice in Data Systems and Monitoring Health Inequities -- Possibilities and Problems,” Annual Meeting of APHA, Denver, CO, November 2010.

Presider: “Macroeconomics, Political Systems, and Population Health and Health Inequities,” Annual Meeting of APHA, Philadelphia, PA, November 2009.

Presider: “Analyzing health inequities: what’s new in the 160 years since 1848? – applying new methods to longstanding problems of health injustice,” Annual Meeting of APHA, San Diego, CA, October 2008.

Presider: “Health & human rights: methodologies, monitoring, and the politics of data,” Annual Meeting of APHA, Boston, MA, November 2006.

Presider: “What counts as evidence and to whom? A progressive critique of evidence-based public health data,” Annual Meeting of APHA, Philadelphia, PA, December 2005.

Presider: “Social Justice, Data, Discrimination, and Social Inequalities in Health: The 1st Decade of The Spirit of 1848,” Annual Meeting of APHA, Washington, DC, November 2004.

Presider: “Social Justice & Public Health: Data Needs and Data Privacy,” Annual Meeting of APHA, San Francisco, CA, November 2003.

Presider: “Measuring and monitoring social inequalities in the United States,” Annual Meeting of APHA, Philadelphia, PA, November 2002.

Presider: “Data to action to accountability: combining social justice, evidence, and human rights,” Annual Meeting of APHA, Atlanta, GA, October, 2001.

Presider: “Race/ethnicity and the year 2000 census: implications for public health data,” Annual Meeting of APHA, Boston, MA, November, 2000.

Presider: “Monitoring social inequalities in health: conceptual controversies, technical challenges, and implications for policy decisions and resource allocation,” Annual Meeting of APHA, Washington, DC, November, 1999.

Presider: “Inequality in context: studying effects of neighborhood conditions and social policies on socioeconomic and racial/ethnic disparities in health,” Annual Meeting of APHA, Washington, DC, November, 1998.

- 1993-1994 Health and Public Policy Admissions Committee, Johns Hopkins University Bloomberg School of Public Health, Baltimore, Maryland

## **JUNIOR FACULTY/STUDENT SUPERVISION/MENTORING**

### **Junior faculty**

- Jahanett Ramirez, MD, MPH, University of Texas at Austin, Steve Hicks School of Social Work, 2021-present (role: co-Mentor)
- Lailea Noel, PhD, University of Texas at Austin, Steve Hicks School of Social Work, 2018-present (role: co-Mentor)
- Rayven Plaza, PhD, University of Texas at Austin, Steve Hicks School of Social Work, 2018-2019 (role: co-Mentor)
- Shetal Vohra-Gupta, PhD, University of Texas at Austin, Steve Hicks School of Social Work, 2018-present (role: co-Mentor)
- Delida Sanchez, PhD, University of Texas at Austin, Counseling Psychology, NIH Loan Repayment Program, 2013-2016 (role: co-Mentor)
- Kentya Ford, PhD, University of Texas at Austin, Pharmacy, 2013-2015 (role: co-Mentor)

### **Postdoctoral fellows**

- Josephine (Tres) Hinds, Steve Hicks School of Social Work, NHLBI (PI: Cubbin), 2020-2022 (role: Supervisor)
- Brittany Brown-Podgorski, Steve Hicks School of Social Work, NHLBI (PI: Cubbin), 2020-2021 (role: Supervisor)
- Holly Ryon, PhD, Steve Hicks School of Social Work, American Cancer Society grant (PI: Cubbin), 2015 (role: Supervisor)
- Claire Margerison-Zilko, PhD, Steve Hicks School of Social Work, American Cancer Society grant (PI: Cubbin), 2011-2013 (role: Supervisor)
- Kelly Purtell, PhD, University of Texas at Austin, 2010-2014, NIH (role: Co-Sponsor)

### **Dissertation committee – completed**

- Erin Nolen, PhD candidate, University of Texas at Austin, Steve Hicks School of Social Work; Chair
- Priscilla Aquino Garza, PhD student, University of Texas at Austin, College of Education; Member
- Kristina Flores, PhD student, University of Texas at Austin, College of Education; Member

Bethany Wood, PhD student, University of Texas at Austin, Steve Hicks School of Social Work; Chair

Christian Vazquez, PhD student, University of Texas at Austin, Steve Hicks School of Social Work; Chair (2021)

Annette Leija, PhD student, University of Texas at Austin, College of Education; Committee member (2019)

Catherine LaBrenz, PhD student, University of Texas at Austin, Steve Hicks School of Social Work; Committee member (2019)

Jelena Todic, PhD student, University of Texas at Austin, Steve Hicks School of Social Work (2018); Co-Chair

Yeonwoo Kim, PhD student, University of Texas at Austin, Steve Hicks School of Social Work (2018); Chair

Casey Walsh, PhD student, University of Texas at Austin, Steve Hicks School of Social Work (2018); Committee member

Valerie Ringland, PhD student, University of Texas at Austin, Steve Hicks School of Social Work (2018); Committee member

Derek Falk, PhD student, University of Texas at Austin, Steve Hicks School of Social Work (2018); Co-Chair

Hyunwoo Yoon, PhD Student, University of Texas at Austin, Steve Hicks School of Social Work (2016); Committee member

Rebecca Benson, University of Texas at Austin, LBJ School of Public Policy (2015): Committee member

Ying-Ting Wang, University of Texas at Austin, Department of Sociology (2015); Committee member

Paula Yuma, University of Texas at Austin, Steve Hicks School of Social Work (2014); Co-Chair

Tara Powell, University of Texas at Austin, Steve Hicks School of Social Work (2014); Committee member

Joseph Lariscy, University of Texas at Austin, Department of Sociology (2013); Committee member

Mary Held, University of Texas at Austin, Steve Hicks School of Social Work (2013); Committee member

Jina Jun, University of Texas at Austin, Steve Hicks School of Social Work (2013); Committee member

Joongbaeck Kim, University of Texas at Austin, Department of Sociology (2008); Committee member

#### **PhD student advising – in progress**

Jagger Alexander, PhD candidate, University of Texas at Austin, Jackson School of Geosciences; Committee member

Quynh Nhu Bui La Frinere-Sando, PhD candidate, University of Texas at Austin, Steve Hicks School of Social Work

Zully Guerra, PhD candidate, University of Texas at Austin, Steve Hicks School of Social Work; Committee member

Catherine Wilsnack, PhD candidate, University of Texas at Austin, Steve Hicks School of Social Work; Committee member

Abena Yirenya-Tawiah, PhD candidate, University of Texas at Austin, Steve Hicks School of Social Work

**Health Communication Scholars Program faculty mentor, 2014-2017**

Laura E. Brown, PhD candidate, College of Communication, UT Austin, and Jelena Todic, doctoral student, Steve Hicks School of Social Work, UT Austin

“Factors Influencing Disclosure of Sexual Orientation and Gender Identity in Healthcare Settings: Lesbian, Gay, Bisexual, Transgender, Queer and Questioning (LGBTQ) Patient Perspectives”

**Diversity Mentoring Fellowship supervisor, 2010-2011**

Rose Pullium, PhD candidate, University of Texas at Austin, Steve Hicks School of Social Work

**Ph.D. student research practicum supervision**

Veronica Pedregon, PhD candidate, University of Texas at Austin, Sociology (2009)

Paula Yuma, PhD candidate, University of Texas at Austin, Steve Hicks School of Social Work (2010, 2012-2013)

Tara Powell, PhD candidate, University of Texas at Austin, Steve Hicks School of Social Work (2011)

Derek Falk, PhD candidate, University of Texas at Austin, Steve Hicks School of Social Work (2014-2016)

Yeonwoo Kim, PhD candidate, University of Texas at Austin, Steve Hicks School of Social Work (2015-2016)

Jelena Todic, PhD candidate, University of Texas at Austin, Steve Hicks School of Social Work (2015)

David Snowden, PhD candidate, University of Texas at Austin, Steve Hicks School of Social Work (2016)

Liana Petruzzi, PhD candidate, University of Texas at Austin, Steve Hicks School of Social Work (2019)

Kristina Flores, PhD candidate, University of Texas at Austin, College of Education (2019)

Bethany Wood, PhD candidate, University of Texas at Austin, Steve Hicks School of Social Work (2020)

Erin Nolen, PhD candidate, University of Texas at Austin, Steve Hicks School of Social Work (2020-2021)

Quynh Nhu Bui La Frinere-Sando, PhD candidate, University of Texas at Austin, Steve Hicks School of Social Work (2021)

Laura Dosanjh, PhD candidate, University of Texas at Austin, Steve Hicks School of Social Work (Spring, 2022; Summer, 2022)

Catherine Wilsnack, PhD candidate, University of Texas at Austin, Steve Hicks School of Social Work (Summer, 2022)

Abena Yirenya-Tawiah, PhD candidate, University of Texas at Austin, Steve Hicks School of Social Work (Summer, 2023)

**Ad hoc advising – master’s students**

Jasmin Moore, MA, University of Texas at Austin (2007)

**Master's committee - completed**

Alma Romo-Gonzalez, MPH candidate, San Jose State University (2003)

**Ad hoc advising – postdoctoral fellows**

Stephen Zigmund, Steve Hicks School of Social Work, UT Austin (2023-present)  
Maaz Amjad, Steve Hicks School of Social Work, UT Austin (2023-present)
