RESEARCH GRANTS

CURRENT FUNDED RESEARCH:

- SHIFT Initiative to change the culture of drugs and alcohol on the University of Texas at Austin Campus. Funded by the Hildebrand Foundation (\$3.4 million)
- Texas Targeted Opioid Response funded by the State of Texas Opioid Response Grant (co-PI to PI Dr. Lucas Hill). Grant 1 \$3.5 million and follow up, \$8 million. Designed to increase education, collaborations of services, Naloxone trainings, and interdisciplinary approaches to tackling the Opioid crisis in Texas.
- Family Engagement in Youth Substance Addiction Recovery. Funded by the University of Texas at Austin Vice President for Research for pilot at University High School (\$750).
- Friar Fellowship Research Funds. (\$5,000) being used to lay the groundwork for ongoing research of the effectiveness of University High School (Austin's first recovery high school) and the mentorship program between UT Center for Students in Recovery and University High School.

PROPOSALS AND RESUBMISSIONS:

- Mental health among adolescents with substance use disorders: Development of developmentally appropriate measurement instruments (PI). Hogg Foundation Mental Health Recovery-Oriented Research RFP (pending, requesting \$50,000 for 2 yrs) in Texas, Austin, TX.
- Student Veterans as Experts: Preventing Substance Abuse among Collegiate Military Veterans (Pilot for R34 proposal). PI. Sponsored by the Dean of Students, University of Texas.

- Adaptation of a substance prevention program for Student Veterans¹ R34 DA037088-01 (impact score 47, not funded; resubmitted to NIH National Institute of Drug Abuse NIDA February, 2014) Resubmission June 2015, outcome pending.

PAST PROPOSALS AND COMPLETED GRANTS:

- Bridging the Gap: Women in Recovery with Young Children. PI, Communities for Recovery. Funded by SAMHSA (Substance Abuse and Mental Health Services Administration) (\$37,000 annually – projected for 2 years totaling \$74,000)
- Substance Use Prevention for Student Veterans Experiencing Psychological Distress. Co-I with PI Christopher Salas-Wright. Hogg Foundation, received. (\$40,000)
- UT Special Research Grant for Development of Evaluative Tools for Austin's First Recovery High School, PI. Funded by the University of Texas at Austin VP for Research, (\$750 granted)
- Consultant for The Center for Social Innovation (C4) pilot project [PI: Kristen Paquette, Chief Program Officer, Center for Social Innovation funded by the Conrad N. Hilton Foundation -- \$1.5 million over 3 years] to evaluate new approaches to supporting young people with low-to-moderate risk for substance use. Under my leadership, Austin will be one of six sites to deliver SBIRT interventions through peer-to-peer relationships.
- 2012-2013 Big XII Faculty Fellowship for Collegiate Recovery Research. PI Holleran Steiker. University of Texas at Austin, Graduate School. \$1,250. To collaborate with Texas Tech Collegiate Recovery Program, with Kitty Harris, Ph.D., George C. Miller Family Regents Professor and Associate Dean for Outreach and Engagement, College of Human Sciences; Director, Center for Prevention and Resiliency; and Director, Center for the Study of Addiction and Recovery.
- An evaluation of the Journey of Hope curriculum: Teaching coping skills and building resilience post natural disaster (2011-2013). PI (Co-Investigator, Tara Powell, MSW, MPH, Ph.D. Candidate). Save the Children. \$33,123.
- Identifying Racial and Ethnic Differences in Alcohol and HIV Related Risk and Prevention. Contracted Co-PI (PIs Malone & Greer). NIMHD. R01 proposal submitted June, 2011. (1,727,065.00 requested, not funded).
- Promoting Resilience-Based Diabetes Self-Management Education Among African Americans (2011-present). Consultant (PI: Mary Steinhardt, Kenesiology). National Institute of Health, R34 [DK085218 02]
- K01 Mentored Scientist Award (KO1DA017276-01) (2003-2009). Acculturation and Adolescent Substance Abuse Prevention. Principal Investigator. National Institute on Drug Abuse (NIDA). \$622,465 over 6 years.
- Early Attachment & Later Alcohol and Other Drug Use in Homeless Youth (2004-2006). Co-Investigator (PI Margaret Taylor, Ph.D). Center for Health Promotion Research (UT's NIH funded

Interdisciplinary Nursing Research Center). P30 NR005051 (Stuifbergen) National Institute of Nursing Research / NIH Center for Health Promotion / Disease Prevention Research 2004-2008

- Promoting Resilience-Based Diabetes Self-Management Education Among African Americans National Institute of Diabetes and Digestive and Kidney Diseases / NIH 2011-2012 R34 DK085218 (PI: Steinhardt): This project explored salient factors for diabetes intervention among African Americans in community settings. Consultant \$10,000.
- CAPES grant, PI (2004-2006) Youth, Education, and Juvenile Justice: Brazilian and US Delinquency Prevention to promote collaboration and cooperation between these nations. \$20,000.
- Dr. Dad Program Evaluation (2003). Principal Investigator. Funded by the National Fatherhood Initiative. \$15,000.
- Culturally grounded drug resistance videos for high risk youth (2002). Principal investigator. Funded by the Center for Health Promotion Research (CHPR), University of Texas at Austin School of Nursing. \$10,000.
- “Culturally grounded” substance prevention: Testing drug resistance strategies videos with multiethnic youth (proposal submitted, June 1, 2001). Principal Investigator. RO3 application to the National Institute on Drug Abuse [scored 222].
- Protecting You, Protecting Me Alcohol Prevention Evaluation (2000-2002). Principal Investigator. Funded by the Texas Governor’s Office. \$57,500 for 2 years
- Special Research Grant (SRG): Protecting You, Protecting Me Alcohol Prevention Evaluation, pilot of measurement instrument. (2001). Principal Investigator. Funded by The University of Texas at Austin Office of the Vice President of Research. \$6000.
- Community Based Family Resource Services (CBFRS) grant. (2000-2002). Co-Principal Investigator. (PI, Dennis Haynes) Funded by the State of Texas, Department of Protective and Regulatory Services. \$149,642.
