

Elisa V. Borah, PhD, MSW

PROFESSIONAL EXPERIENCE

Research Associate Professor 9/2016-present
University of Texas at Austin School of Social Work, Austin, TX

Founder and Director, Institute for Military & Veteran Family Wellness 9/2018-present
Dell Medical School & Steve Hicks School of Social Work, The University of Texas at Austin
Founded research institute that develops knowledge and programming to prevent and treat behavioral health problems, provide effective social supports and engage military-connected communities and care providers in research and program development.

Founder and Director, Veteran SpouseNetwork 1/2016-present
Developed and directs evidence-based peer support program for spouses and family members of military service members and veterans. <https://veteranspousenetwork.org>

Research Associate 2015-8/2016
Texas Institute for Excellence in Mental Health
University of Texas at Austin School of Social Work, Austin, TX
Lead Evaluator, Evaluation of Veterans Mental Health Services; Obtained PCORI funding for Veteran Spouse Network.

Research Assistant Professor 7/2010–12/2014
Director of Research, Fort Hood Site, STRONG STAR PTSD Consortium, UT Health San Antonio
Managed seven clinical trials supported by 30 research staff; coordinated all research activities with military hospital and military leaders to ensure proper protocols, recruitment goals and scientific integrity were maintained.

Research Associate (Followed military spouse to Hawaii) 2001–2005
The University of Hawaii, Manoa, School of Social Work

Research Assistant; Research Associate 1998–2001
The Urban Institute, State Policy Center, Washington, DC
Designed performance measurement systems for federally funded health care and human services organizations. Assessed results-based state government practices and published public policy reports.

EDUCATION

Ph.D., Social Work 2010
University of Texas at Austin School of Social Work, Austin, TX
Dissertation: The Influence of Counselor Characteristics on Use of Motivational Interviewing:
An Exploratory Study of Evidence-based Practices Implementation

Master of Social Work 1998
George Warren Brown School of Social Work, Washington University, St. Louis, Missouri

B.A., Anthropology, cum laude 1995
Washington University, St. Louis, Missouri
Awarded Outstanding Senior Research Award from Department

FUNDING AWARDED

Dept. of Defense, Congressionally Directed Medical Research Programs 9/2022-8/2025

The Military Spouse Resiliency Group (MSRG) Peer Support Program: Equipping Families for Resiliency with Tools (EFFRT)

This study will adapt a peer support curriculum for military spouses and conduct a Randomized controlled trial to test the impact of peer support on military spouses' quality of life, mental health, social support and knowledge of psychological health problems affecting service members and families.

Role: Principal Investigator | Award: \$1,365,000

K9s for Warriors

3/2022-2/2023

Curriculum Adaptation and Creation of Warrior Advocate Support Program

Role: Principal Investigator | Award: \$36,000

Overwatch Project Training Evaluation

Forge Foundation

9/2022-12/2022

Role: Principal Investigator | Award: \$12,500

Veteran Spouse Network Expansion

Texas Health & Human Services Commission Veterans + Family Alliance

9/2021-8/2023

Funding from Texas HHSC support expansion the Veteran Spouse Network.

Role: Principal Investigator | Award: \$1,335,960

Targeted Assessment & Clinic-Tailored Implementation of Change Strategies (TACTICS)

McClellan, C. (PI), *Department of Defense*

10/2017- 9/2023

This project will test a tailored multi-model intervention approach to improve implementation of Prolonged Exposure Therapy in nine military treatment facilities, and the expand the tool to accelerate the use of other best practices in military settings.

Role: Co-Investigator (20% FTE) | Award: \$1,331,821

Mind Over Matter (M.O.M)

Patient Centered Outcome Research Institute (PCORI)

11/2021-10/2023

This project engages veterans with TBI, caregivers and other stakeholders to bolster patient-centered outcomes and comparative effectiveness research (CER) to identify treatment options for TBI. Stakeholders will be equipped to participate as partners in CER and disseminate study results.

Role: Co-PI (5% FTE) | Award: \$250,000

All Hands on Deck: Community Convening to Improve Research on Veteran Suicide Prevention

Patient Centered Outcome Research Institute (PCORI)

6/2020-5/2021

Community Convening Engagement Award

Facilitate convenings with veterans, concerned significant others, mental health providers, and researchers to identify gaps how best to engage them in suicide prevention efforts and research.

Role: Principal Investigator | Award: \$100,000

Military Family Food Insecurity Research Support

Military Family Advisory Network (MFAN)

1/2021-6/2022

Support MFAN research on military family food insecurity through qualitative interviews with servicemembers, veterans and family members that informs the causal factors of food insecurity.

Role: Principal Investigator | Award: \$52,000

Patient Safety Center of Inquiry - VA Suicide Prevention Collaborative 10/2018-9/2022
(PIs: DeBeer, B.) The PSCI Center develops, implements, and evaluates practical solutions to reduce suicide among Veterans not receiving VA care.
Role: Co-Investigator (10% FTE)

Veteran Spouse Network Expansion 1/2020-12/2021
Texas Health & Human Services Commission Veterans + Family Alliance grant
Funding to support the expansion of a statewide support network for veteran spouses.
Role: Principal Investigator | Award: \$888,0040

Combined Arms Outcome Measurement Development Project 7/2019-6/2022
Combined Arms service agreement
Development, piloting and management of data collection with 60 member organizations that deliver care to veterans and their family members in Houston, Texas.
Role: Principal Investigator | Award: \$50,000 (2019-20) \$30,000 (2021-22)

Defense and Veteran Health Consortium
Dell Medical School 11/2018-8/2021
Research collaboration between UT System and Defense Health Agency and VA.
Role: Co-Investigator (10% FTE)

Texas Health and Human Service Commission 12/2018-1/2019
Evaluation of the Seton Healthcare Family Expansion of Veteran Mental Health programs.
Role: PI | Subcontract Award: \$36,000

Veteran Couples Connect Program Pilot Study 6/2018-12/2019
Texas Health & Human Services Commission Veterans + Family Alliance
This project pilots the delivery of Cognitive Behavioral Conjoint Therapy for PTSD with 30 veteran couples in group format in community-based (non-VA) clinics.
Role: Principal Investigator | Award: \$180,000

Veteran Spouse Resiliency Group Program Pilot Study 6/2018-12/2019
Texas Health & Human Services Commission Veterans + Family Alliance grant
Funding from Texas HHSC for evaluation of a peer support curriculum.
Role: Principal Investigator | Award: \$170,000

Home and Community Based Services- Adult Mental Health 8/2015-4/2019
Texas Health and Human Services Commission
This project provides implementation support to 30 organizations through technical assistance, strategic planning for state-wide implementation, with Continuous Quality Improvement Process for the Adult Mental Health (HCBS-AMH) Program.
Role: Principal Investigator | Award: \$867,103

Veteran Spouse Network 1/2016-12/2017
Engagement Award, Patient Centered Outcome Research Institute (PCORI)
This project will develop a statewide network of veteran spouses to build their capacity to become engaged in research related to their family members' needs.
Role: Principal Investigator | Award: \$250,000

Veteran Patient Care at Seton: How does Military Cultural Competence Impact Patient Perceptions of Care? 5/2017-4/2018

Seton Healthcare Family-Center for Health and Social Policy (CHASP) Research Collaborative, LBJ School of Public Affairs, University of Texas at Austin

This study assessed the effectiveness of military informed care training with private sector physicians in the VA's Veterans Choice program.

Role: Principal Investigator | Award: \$50,000

Mastering Your Marriage Program Development & Evaluation 6/2017-5/2018

Texas Health & Human Services Commission Veterans Mental Health

Additional funding obtained to match new funding from the Chris Kyle Frog Foundation to develop a veteran couples' marriage program, evaluate and disseminate the curriculum.

Role: Principal Investigator | Award: \$100,000

Mastering Your Marriage Program Development & Evaluation 12/2016-11/2018

Chris Kyle Frog Foundation

Project to develop and evaluate a veteran couples' group-based marriage counseling program.

Role: Principal Investigator | Award: \$150,000

YES Waiver Statewide Implementation and CQI Support 9/2015-12/2016

(PI: Espinosa, E.) *Texas Health and Human Service Commission*

This project expanded on previous implementation support by providing organizational support through a Continuous Quality Improvement (CQI) process with training and coaching strategies for the 1915c Youth Empowerment Services (YES) waiver, integrating fidelity review and preliminary outcome analysis.

Role: Implementation Evaluator (25% FTE) | Award: \$800,000

The STRONG STAR Multidisciplinary PTSD Research Consortium

(PI: Alan L. Peterson) *Department of Defense*

2008–2013

This multidisciplinary multi-institutional created a PTSD research consortium comprised of over twenty randomized controlled trials with active-duty service members to develop and evaluate treatment programs for combat-related PTSD, chronic pain, insomnia, couples relationships.

Role: Director of Research, Fort Hood, TX (7/2010- 1/2015) (100% FTE)

Variable Length Cognitive Processing Therapy for Combat-Related PTSD

(PI: Patricia Resick) *Department of Defense*

9/2012-8/2016

The purpose of this study was to (1) determine if participants reach good end-state functioning at varying lengths of cognitive process therapy (cognitive only version) and to characterize the distribution of response (i.e., early v. late responders); (2) Examine predictors (e.g., externalizing characteristics, trauma history) of length of treatment and treatment success, and (3) Examine secondary treatment outcomes (e.g., return to work, social/family functioning).

Role: Co-Investigator, Ft. Hood, TX (9/2012-01/2015).

Development and Validation of a Theory Based Screening Process for Suicide Risk

(PI: Steven D. Vannoy, Ph.D) USA Medical Research Acquisition Activity, STRONG STAR Affiliated Study 2011–2014

This project assessed the utility of new questions pertaining to suicide risk among active-duty soldiers on the Post Deployment Health Re-Assessment (PDHRA).

Role: Co-Investigator (2012-2014)

Multidisciplinary Approach to Reduce Injury & Alcohol Use

(PI: Craig Field) National Institute on Alcohol Abuse and Alcoholism (NIAAA) 2006–2011

Health Behavior Research and Training Institute, University of Texas at Austin School of Social Work

This study tested the necessity of a booster session on patients' motivation to change their drinking behavior at the time they present for treatment of an alcohol related injury.

Role: Project Coordinator; Co-Investigator (8/2008- 10/2009)

Texas Process & Practice Improvement Initiative/National Institute of Drug Abuse

(PI: R. Spence) National Institute of Drug Abuse

2005–2008

Addiction Research Institute, University of Texas at Austin, School of Social Work

This study examined utilization of science-based practices and proximal client outcomes as influenced by organizational change process intervention and feedback on practices and outcomes.

Role: Graduate Research Assistant, Co-Investigator (8/2006- 7/2008)

COLLABORATIVE PARTNERSHIPS FORMED

September 2020

Established a formal collaboration between the Institute for Military and Veteran Family Wellness and the Fort Hood Carl R. Darnall Army Medical Center (CRDAMC) to support research related to improving the delivery of behavioral health care among services members and their families, determining the health and wellness of military families and potential service gaps as well as developing collaborative learning opportunities for military providers and UT students.

SERVICE

- 2016- **Chair**, Conference Planning Committee, Military Social Work & Behavioral Health Conference, Hosted by Institute for Military and Veteran Family Wellness, The University of Texas at Austin
- 2021- **Chair**, Society for Social Work and Research (SSWR) Military Service Members, Veterans and Families Cluster
- 2022- **Invited Member**, Rand Veterans Policy Research Collaborative (VPRC)
- 2022- **Invited Member**, VA Preventing Firearm Suicides among Rural Veterans by Engaging Military Caregivers Advisory Board
- 2022- **Invited Member**, UT Austin Military and Veteran Stakeholders Committee
- 2021- **Chair**, SSWR Special Interest Group for Research with Service Members, Veterans, Family Members and Their Systems of Care
- 2021- **Member**, VA ETS Sponsorship program Advisory Board
- 2021- **Member**, Executive Committee, Steve Hicks School of Social Work
- 2020-21 **Member**, Combined Arms Advisory Board
- 2019- **Member**, Doctoral Committee, Steve Hicks School of Social Work

- 2021 **Guest Editor**, Special Issues on *Social Work Academia and COVID-19 in Professional Development: International Journal of Continuing Social Work Education*
- 2021 **Consultant**, Advised University of Colorado, Center for Veteran Health, on creation of university research and education institute.
- 2020 **Consultant**, Advised New Hampshire Department of Military Affairs and Veteran Services, Division of Community Based Military Programs on the state's development of military family support programs.
- 2020 **Reviewer**, promotion packet for Dr. Kari Fletcher in the School of Social Work at the University of St. Thomas.
- 2020 **Member**, Advisory Board for Center for Deployment Psychology study examining the impact of clinic-level variables on outcomes for patients
- 2018-2020 **Member**, Austin Mayor's Challenge to Prevent Veteran Suicide Task
- 2018-2019 **Member**, UT System Influential Veteran Leaders, Veterans Task Force
- 2017-2019 **Member**, Seattle Implementation Research Collaboration
- 2017-2018 **Associate Editor**, *Military Behavioral Health*, Taylor & Francis
- 2017-2018 **Member**, Military Suicide Research Consortium Dissemination & Implementation Core
- 2017-2018 **Member**, Council on Social Work Education Task Force to Update Military Social Work Curriculum Guide
- 2017-2018 **Lead**, CSWE Survey of MSW Program Directors about Military Social Work Curriculum
- 2017 **Guest Editor**, *Special Issue on Social Work Education toward Serving Military and Veteran Populations* in the *Journal of Teaching in Social Work*, Taylor & Francis
- 2017 **Co-lead**, MSW Sub-committee to develop Military Social Work Course Certificate, UT Austin School of Social Work
- 2016-2017 **Member**, Meadows Mental Health Policy Institute, Veterans Mental Health Task Force
- 2016 **Guest Editor**, *Special Issue on Mental Health Practice with Military- and Veteran- Connected Populations* in *Best Practices in Mental Health*, Lyceum
- 2016- **Member**, Central Texas Veterans Services Coalition
- 2015-2016 **Secretary**, Board of Directors, CareBox Cancer Care

- 2012-2014 **Member**, Conference Planning Committee, Military Social Work Conference, hosted by University of Texas at Austin School of Social Work (2013) and hosted by St. Leo University (2014)
- 2012-2021 **Co-Founder/Convener**, Implementation Research Special Interest Group, Society for Social Work and Research (SSWR), APM
- 2012-2017 **Abstract Reviewer**, Society for Social Work and Research (SSWR) Annual Program Meeting

TEACHING

Adjunct Faculty 2016–2021
 The University of Texas at Austin, School of Social Work Course
 taught: *Social Work Research Methods* (2016-18),
Social Work with Military Personnel and Families (2020-21)

Adjunct Faculty 2016–2018
 Texas State University School of Social Work
 Course taught: *Social Work Research Methods* (2017-18)

Instructor 2001–2004
 The University of Hawaii at Manoa, School of Social Work
Developmental Research Methods in Social Work (BSW) (2001-02);
Research Designs and Data Analyses for the Evaluation of Practice Effectiveness (MSW) (2004);
Review of Research in Social Work (MSW) (2004).

HONORS

- 2023 Selected as Society for Social Work and Research (SSWR) Research Fellow
- 2021 Selected as a Scholar in the Stand-to Veteran Leadership Program, George W. Bush Institute
- 2007 Charles W. Laughton Endowed Presidential Scholarship, UT Austin Graduate School
- 2005 The University of Texas at Austin Graduate School Preemptive Fellowship
- 1998 George Warren Brown School of Social Work Practicum Scholarship
- 1996 Wilbur Cohen Scholarship, George Warren Brown School of Social Work

INVITED PRESENTATIONS

August 2-3, 2022. In-person panelist. “Understanding and Addressing Risk for Suicide among Aging Veterans” Diverse Populations Workshop, VA/SAMHSA Innovations Conference, Alexandria, VA.

August 2, 2022. Featured podcast with PsychArmor’s Behind the Mission series:
<https://psycharmor.org/podcast/dr-elisa-borah>

September 28, 2022. Invited Panelist at Texas Moving Forward - Texas Challenge to Prevent Veteran Suicides, Office of Veteran Services Coordination. Texas Health and Human Services. “All Hands on Deck: Engaging Concerned Significant Others in Preventing Veteran Suicide.”

October 25-27, 2022. Invited Panelist. Presented on Military Spouse Resiliency and CDMRP-funded spouse peer support study at III Corps People First Summit.

August 26, 2021. Webinar. Institute for Military and Veteran Family Wellness Virtual Summer Series: “The Veteran Spouse Resiliency Group Program: Delivering Peer Support to Veteran Spouses and Committed Partners.”

April 23, 2021. Competitive abstract speaker. Partnerships for Veteran & Military Health Conference, “Using community veteran needs assessments to deliver more effective and efficient veterans services.”

February 26, 2021. Invited webinar, “Military and veteran spouses’ challenges, unmet needs and extent of available support programs.” Sturm Specialty in Military Psychology Program, Graduate School of Professional Psychology.

2021, Invited Panelist. Presented on Institute for Military and Veteran Family Wellness’ All Hands on Deck veteran suicide prevention study at the Texas Suicide Prevention Council’s monthly meeting.

2020, Presented “Building partnerships through co-writing” at the Health Communication Scholars Program (HCSP) grant workshop sponsored by the Moody College of Communication’s Center for Health Communication.

Sept. 19, 2019. Invited Panelist. Patient Centered Outcome Research Institute’s Annual Meeting in Washington, D.C., “Veteran Spouse Network (VSN): A network of veteran spouses engaged in research” on a panel titled “Taking better care of veterans.”

Nov. 5, 2018. Invited Panelist. Integral Care Community Forum on Trauma.

Feb. 6, 2018. Invited Panelist. The Veteran Spouse Network in Texas. TexVet Symposium. Texas A&M Health Science Center, Round Rock, Texas. Veteran Mental Health in Texas.

Feb. 6, 2017. Invited Panelist. Texas Veterans Commission Annual Conference.

Sept. 8, 2016. The Veteran Spouse Network. Texas Veterans Commission Annual Conference.

November 10, 2015. Invited Talk. VISN17 Center of Excellence for Research on Returning War Veterans at the Doris Miller VA Medical Center in Waco, TX.

November 4, 2015. Webinar. Military cultural competence: Ethical considerations. Office of Professional Development. School of Social Work. The University of Texas at Austin School of Social Work.

September 25, 2012. *Implementation Research: An Introduction*. Grand Rounds Presentation. Department of Psychiatry, School of Medicine, University of Texas Health Science Center at San Antonio.

TRAININGS/WORKSHOPS

May, 2021, Provided **Military Cultural Competency Training** for UT Steve Hicks School of Social Work faculty and Staff.

Summer, 2020, Conducted four-session **Measurement Workshop Series** with Combined Arms for 20 veteran-services collaboratives around the country, as part of the Bob Woodruff Foundation's National Veterans Intermediary.

Military Informed Care Training: Caring for Military and Veteran Patients, November 2018 (Integral Care); December 2018 (Shoal Creek Seton Behavioral Health Clinic); March 2019 (Continuing Education at DMS); July 2019 (with DMS Psychiatry residents).

CONFERENCE PRESENTATIONS

Borah, E.V. & O'Brien, H. Evaluation of Group Peer Support for Veteran Spouses: The Veteran Spouse Resiliency Group Program at Society for Social Work and Research Conference. Accepted for presentation but withdrawn due to weather conditions. Washington, DC. January 15.

O'Brien, H. & **E. Borah**. (2021, June). "Evaluation of Group Peer Support for Veteran Spouses: The Veteran Spouse Resiliency Group Program" San Antonio Military Health System and Universities Research Forum (SURF).
