Kasey.Claborn@austin.utexas.edu

Education

Ph.D., Clinical Psychology, Oklahoma State University, Stillwater, Oklahoma, USA 08/2009 to 07/2013
Dissertation Title:
Advisor: Thad Leffingwell, PhD

M.S., Oklahoma State University, Stillwater, Oklahoma, USA 08/2007 to 07/2009

B.S., Human Development & Family Studies (summa cum laude) 08/2003 to 12/2005
Texas Tech University, Lubbock, Texas, USA

Postdoctoral Training

Residency, University of Florida Health Sciences Center, Gainesville, Florida 07/2012 to 06/2013

Postdoctoral Fellow, Center for Alcohol and Addiction Studies, Brown University 09/2013 to 07/2015
Providence, Rhode Island

National Cohort Member, National Institute of Health, Training Institute in Dissemination and
Implementation Research in Health, Washington, D.C. 08/2016-12/2016

National Cohort Member, STEM (Science, Technology, Engineering, & Math) 2 Market Accelerator,
Association of Women in Science 02/2020-Present

Licensure

Authority to Practice Interjurisdictional Telepsychology, Number 02/2021-Present
Granted by PsyPACT Commission

Texas, 38247 01/2020-Present

Rhode Island, PS01506 07/2015-06/2022

Certifications

Certified Professional in Health Information Management Systems Eligible, awaiting exam date

Graduate Certification in International Studies, Oklahoma State University 07/2012

Academic and Leadership Appointments

Director, Addictions Research Institute 12/2021-Present
Steve Hicks School of Social Work, The University of Texas at Austin
Austin, Texas

Assistant Professor Steve Hicks School of Social Work, The University of Texas at Austin Austin, Texas	09/2018-Present
Assistant Professor Department Psychiatry, The University of Texas at Austin Dell Medical School, Austin, Texas	07/2017-Present
Adjunct Assistant Professor Department Medicine, The Warren Alpert Medical School of Brown University, Providence, Rhode Island	07/2017-2020
Director of Qualitative Research for Comprehensive Care The University of Texas at Austin Dell Medical School Austin, Texas	10/2018-09/2020
Assistant Professor (Research) Department Psychiatry and Human Behavior, The Warren Alpert Medical School of Brown University, Providence, Rhode Island	07/2015-06/2017
Research Scientist Department of Medicine, Rhode Island Hospital, Providence, Rhode Island	07/2015-06/2017

Other Relevant Employment and Clinical Activities

Expert Advisor, Jefferson County Opioid Litigation	02/01/22-Present
Expert Advisor, Bexar County Opioid Litigation	01/01/21-Present
Expert Advisor, Dallas County Opioid Litigation	03/01/2020-Present
Research Interventionist, Dell Medical School, Austin, Texas	05/2019 to 04/2020
Research Interventionist, Butler Hospital, Providence, Rhode Island	06/2013 to 06/2015
Clinical Research Assistant, Oklahoma State University, Stillwater, OK	08/2011 to 06/2012
Clinical Research Assistant, Texas Tech University, Lubbock, Texas	08/2005 to 05/2006

Honors and Awards

President's Associate Teaching Excellence Award, University of Texas at Austin	2023
Google Cloud Award (Education), International award for social impact and innovation	2021
Finalist, Austin's 40 Under 40 Award	2021
National Cohort Member, STEM (Science, Technology, Engineering, & Math) 2 Market Accelerator, Association of Women in Science	2020
Google Services Award (\$150,000)	2020
Nomination, Austin's 40 Under 40 Award	2020
Citation Award, Society for Behavioral Medicine	2019
Company Creation Sponsorship Award, Texas Health Catalyst Program	2019

Regional Cohort Member, National Science Foundation iCorps Program	2018
Finalist, Texas Health Catalyst, The University of Texas Dell Medical School	2018
National Cohort Member, National Institute of Health, Training Institute in Dissemination and Implementation Research in Health, Washington, D.C.	2016
Junior Faculty Fellow, Division of Biomedical Sciences, Brown University	2016
Research Excellence Award (Brown University Center for Alcohol and Addiction Studies)	2014
Outstanding Doctoral Student in Clinical Psychology Award (Oklahoma State University)	2012
Outstanding Doctoral Student in Service & Leadership Award (Oklahoma State University)	2011
Graduate College Research Fellowship (Oklahoma State University)	2010
Psychology Graduate Student Travel Award (Oklahoma State University)	2009, 2010
Alumni Foundation Travel Award (Oklahoma State University)	2009
Graduate College Research Fellowship (Oklahoma State University)	2008
Doctoral Student Excellence Award (Oklahoma State University)	2007, 2008
The Chancellor's List (Texas Tech University)	2006
Who's Who Among American College and University Students (Texas Tech University)	2005
Beneficial Customer Scholarship (Texas Tech University)	2005
The National Dean's List (Texas Tech University)	2004-2005
Dean's List (Texas Tech University)	2004-2005
Percy Ruth Price Memorial Scholarship (Texas Tech University)	2003-2005
President's List (Texas Tech University)	2002-2005
Academic Scholarship (Lubbock Christian University)	2002-2003
Psychology Departmental Scholarship (Lubbock Christian University)	2002-2003

Professional Memberships and Activities with Leadership Positions

CLEAN Cause Foundation Board Member, Treasurer	2022-
HIV Linkage & Retention Advisory Council, Gilead Pharmaceuticals Invited Member	2022
Community Council for Mental Health, The University of Texas Dell Medical School Inaugural Member	2020-
Oklahoma State University Alumni Advisory Council Inaugural Member	2020
Steve Hicks Endowment Advisory Committee, The University of Texas at Austin Member	2019-

Opioid Response Consortium, The University of Texas at Austin	
Co-Chair	2022-
Member	2019-
Society for Behavioral Medicine	2014-
Member	
American Psychological Association	2007-
Member, Division 52 (2009-2011)	
Outreach & Communication Coordinator, Division 52 Student Committee (2010-2011)	
Member, Division 50 (2016-Present)	
Abstract Reviewer (2018, 2019)	
Society of Addiction Psychology	2016-2018
Member	
Society for Implementation Research Collaborative	2016-2017
Member	
Association for Behavioral and Cognitive Therapies	2007-2015
Member	
Abstract Reviewer (2014)	
Psychology Graduate Student Association	2007-2013
Member	
Secretary (2008)	
Colloquium Representative (2010)	
Oklahoma Psychological Association	2007-2012
Member, Student Society (2007-2012)	
Student Liaison, Student Society (2009-2010)	
Vice-President, Student Society (2010-2011)	
President, Student Society (2011-2012)	
Research Experience for Undergraduates	2008-2011
Mentor (2008-2009, 2010-2011)

Psychology & Law, Guest Lecturer	2008
Introduction to Psychology, Graduate Instructor	2008-2009

Advising and Mentoring

Undergraduate Students

Samuel Ma, Research Mentor, Honors Thesis Undergraduate Student, The University of Texas at Austin	2021-2022
Sanjana Kalvakuntla, Research Mentor, Bridging Disciplines Program Undergraduate Student, The University of Texas at Austin Currently: University of Texas Southwestern Medical School	2019-2021
Daelon Morais, Thesis Mentor, Health Science Scholars Program Undergraduate Student, The University of Texas at Austin	2019-2020
Nishita Pondugula, Research Mentor Undergraduate Student, The University of Texas at Austin Dean's Distinguished Graduates for the College of Liberal Arts Currently: Yale Medical School	2018-2020
Cyrus Daruwalla, Honors Thesis Mentor Undergraduate Student, The University of Texas at Austin Currently: Medical Student at Baylor College of Medicine	2017-2018

Medical and Graduate Students

Katie McCormick, Research Advisor Committee Member, Comprehensive Exam Doctoral Student, The University of Texas at Austin	2021-Present
Katlyn Brinkley, Program Mentor Graduate Student, The University of Texas at Austin Currently: User Experience Researcher at Baptist Healthcare System	2021-2022
Amber Baysinger (Dunbar), Program Mentor Medical Student, The University of Texas at Austin Currently: Resident at UCLA	2018-2019
Sara Merrifield, Masters of User Experience Design, Thesis Advisor	2018-2019

Graduate Student, The University of Texas at Austin
Currently: User Experience Researcher at VRBO

Anne-Britt Decker, Orthopedic Surgery Fellowship, Qualitative Research Mentor 2017-2018
PhD Candidate, The University of Texas at Austin
Currently: PhD Candidate at Leiden University Medical Center

Sofia Carbone, Masters of Public Health Program, Thesis Reader 2017-2018
Graduate Student, Brown University
Currently: Research Assistant at Ibis Reproductive Health

Alana Mercurio, Masters of Public Health Program, Thesis Reader 2017-2018
Graduate Student, Brown University
Currently: Senior Research Associate at Brown University School of Medicine

Residents and Fellows

Maaz Amjad, Steve Hicks School of Social Work, Primary Mentor 2022-Present
Postdoctoral Fellow, The University of Texas at Austin

Avat Kioumars, Department of Psychiatry, Primary Mentor 2019-2020
Postdoctoral Fellow, The University of Texas Dell Medical School

Amanda Gonzalez, Orthopedic Surgery Fellowship, Qualitative Research Mentor 2018-2019
Orthopedic Resident, The University of Texas Dell Medical School

Eugene Dunne, Psychology Clinical Residency Training Program, Mentor 2016-2017
Psychology Resident, School of Public Health, Brown University
Currently: Assistant Professor at Brown University

Grants and Contracts

HHS 000508300003 Claborn (PI) 2019-2024
Texas Health & Human Services

Development of a Digital Ecosystem to Improve Opioid Overdose Reporting, Tracking, and Prevention across Texas

Goals: The goal of this project is to develop a technology-based platform to improve overdose surveillance and access to treatment for opioid use disorders across three urban and two rural communities in Texas. The aim is to utilize findings from qualitative interviews and surveys to develop a digital platform to improve opioid overdose reporting and prevention.

\$9,024,172

Role: Principal Investigator (37% effort)

R24 DA057659 Potter (PI) 2022-2027

NIDA

Peer Recovery Innovation Network (PRIN)

Goals: This project aims to accelerate innovation and expand the workforce in the field of recovery science by establishing a research network focused on peer recovery support

\$85,805

Role: Co-Investigator (3% effort)

Department of Defense, Benzer (PI) 2020-2022

Optimizing Human Resources to Address Battalion-level Factors that May Impede or Support Implementation of Sexual Assault/Sexual Harassment Prevention Program

This project will determine what knowledge and skills are needed in order for SHARP personnel to implement new sexual assault and harassment prevention programs using the model selected by the Department of Defense, Getting To Outcomes (GTO).

\$667,512

Role: Co-Investigator (10% effort)

NIDA, R34 Parra-Cardona (PI)

2020-2023

Implementing a church-based parenting intervention to promote NIDA prevention science among Hispanics

The goal of this project is to develop and test a cultural-tailored parenting intervention.

Role: Co-I (3% effort)

Pending

NIAAA, R01AA030038, Lippard (PI)

Biological Risk Factors for the Prospective Development of Alcohol Use Disorders in Young Adults with Bipolar Disorder and Typically Developing Young Adults.

Goals: This longitudinal study investigates biological risk factors that are predictive of alcohol use disorders in young adults with bipolar disorder and typical developing young adults. The goals of the research are to investigate longitudinal changes in subjective response to alcohol, placebo response, corticolimbic neural trajectories, stress, and emergence of alcohol misuse and problems during the young adult epoch and interactions with bipolar disorder.

\$3,813,135

Role: Co-Investigator (5%)

NIDA, R61DA057647, Claborn (PI)

Project COPE: Connecting Overdose Prevention Efforts for Data-Driven Community Response

The goal of this project is to develop and test an innovative method for overdose surveillance through improving the integration of cross-sector data sources and enhancing overdose reporting among non-traditional responders.

\$4,725,614

Role: Principal Investigator

National Institute on Drug Abuse (in submission) "Increasing Employee Access to Evidence-based SUD Treatment by Reducing Workplace and Individual Stigma via a Digital Program." \$1,956,006.

Principal Investigator: Papes. [UT Center for Health Communication Research Subcontract.

\$665,110. Principal Investigators: Mackert and Donovan.]

Role: Co-Investigator

Completed

NIDA, K23DA039037, Claborn (PI)

2015-2022

Adherence Intervention for HIV-infected Drug Users

The goal of this career development award is to tailor an antiretroviral adherence intervention for HIV-infected illicit drug users.

\$892,437

Role: Principal Investigator (50% effort)

The University of Texas System, Mackert/Claborn (Co-PIs)

2018-2021

Health Communication at the Intersection of Alcohol and Sexual Consent

The goal of this project is to develop a messaging campaign to effectively communicate about issues at the intersection of alcohol and sexual consent.

\$250,000

Role: Co-Principal Investigator (effort in kind)

HRSA, G25RH32398, Wyatt (PI) 2018-2020

Rural Communities Opioid Response (Planning)

The goal of this project is to conduct a needs assessment among rural communities in Texas to inform development of a targeted opioid response plan.

\$200,000

Role: Subaward PI (10% effort)

NIDA, R34DA041237, Claborn (PI) 2016-2020

Mobile Application to Improve Care Coordination between HIV Clinics and Substance Use Treatment Facilities

The goal of this project is to develop and test a mobile application and training intervention designed to improve care coordination and referral systems between HIV clinical services and addiction treatment centers.

\$725,508

Role: Principal Investigator (effort in kind)

St. David's Foundation, Nydegger (PI) 2018-2020

Exploring PrEP Adoption and Adherence among High Risk Black and Hispanic Women in Austin, Texas

The goal of this project is to use qualitative methods to assess barriers and facilitators to PrEP adoption among Black and Hispanic/Latina women in Austin, Texas.

\$30,000

Role: Co-I (effort in kind)

NIDA, R34DA045621, Claborn/Ramsey (MPI) 2017-2018

Linkage to Community-Based HIV Pre-Exposure Prophylaxis Care among At-risk Women upon Release from incarceration

The goal of this project is to develop and test a linkage to PrEP intervention using patient navigators to improve uptake of PrEP among at-risk women upon community re-entry from the jail.

\$752,688

Role: Co-Principal Investigator (effort in kind)

St. David's Foundation 2016-2018

Youth Recovery Network

The goal of this capacity-building project is to develop an advisory board that will inform development of a network of providers, community practitioners, and key stakeholders to inform development of the Youth Recovery Network across Austin and the surrounding five county region.

\$100,000

Role: Consultant

NIDA, Loan Repayment Grant, Claborn (PI) 2014-2017

Computer-based Intervention Promoting Adherence among HIV+ Substance Users

The goal of this project is to (a) examine barriers to technology-based interventions and intervention content among HIV-infected substance users; (b) adapt a computer-based adherence intervention to the unique needs of substance users, and (c) test the initial efficacy and acceptability of the intervention.

Role: Principal Investigator

OCAST, HR-13-140, Leffingwell & Claborn (mPI) 2013-2016

Randomized Clinical Trial Testing the Efficacy of a Computer-based HIV Adherence Promotion Intervention

The goal of this project is to (a) evaluate adherence barriers and computer literacy among HIV+ patients, (b) modify and refine a computer-based HIV adherence promotion intervention, and (c) evaluate the efficacy and acceptability of the intervention via a small randomized controlled trial.

\$134,865

Role: Co-Principal Investigator (effort in kind)

Brown University, Research Excellence Award, Principal Investigator (PI) 2014-2015

Enhancing Adherence Interventions among HIV-infected Substance Users

The goal of this two-phase, mixed-methods project is to develop a syndemics model of HIV disease and drug abuse to explain antiretroviral nonadherence among HIV-infected illicit drug users.

\$9,868

Role: Principal Investigator (effort in kind)

NIAAA, T32AA007459, Monti (PI) 2013-2015

Alcohol Intervention/Treatment Outcome Research Training

This is a National Research Service Award geared toward training future clinical scientists in the conduct of substance abuse research.

Total, direct & indirect costs

Role: Postdoctoral Research Fellow (100% effort)

Invited Presentations, Posters & Abstracts

International

1. **Claborn, K.**, Courtois, F., Samora, J., McCormick, K., Lozada, K. Building a Platform for Data-Driven Outreach for Harm Reduction Organizations. Presented at the annual meeting for Fast-Track Cities. Sevilla, Spain. (2022, October).
2. **Claborn, K.** Development of a Digital Platform to Improve Community Response to Overdose and Prevention among Harm Reduction Organizations. Invited presentation to the Tech and Harm Reduction Symposium. Vancouver, Canada. (2022, January).
3. **Claborn, K.** & Daugherty, A. Digital System for Community-based Overdose Response. Presented at the annual meeting of HIMSS Global Health Conference. Orlando, Florida, (2022, March).

4. **Claborn, K.** & Sonntag, H. Maven Wave and UT Austin take on the Opioid Epidemic in Texas. Invited presentation by Google at the annual meeting of HIMSS Global Health Conference. Las Vegas, Nevada, (2021, August).
5. **Claborn, K.**, Fletcher, E., Reider, J., Comstock, J., Mishra, S. State of the Industry Panel: Caring for Our Most Vulnerable. Invited panelist by Google at the annual meeting of HIMSS Global Health Conference. Orlando, Florida, (2020, March). Virtual presentation due to cancelled conference due to COVID-19 pandemic.
6. **Claborn, K.** & Sonntag, H. Combating the Opioid Epidemic in the State of Texas. Invited presentation by Google at the annual meeting of HIMSS Global Health Conference. Orlando, Florida, (2020, March). Virtual presentation due to cancelled conference due to COVID-19 pandemic.
7. **Claborn, K.R.**, Aston, E., Saccoccio, M., & Ramsey, S. Prescribing Narcotics and Recommending Medicinal Marijuana as Incentives to Retain Patients in HIV Care. Poster presented to the annual meeting of the College on Problems of Drug Dependence, Montreal, Canada. (2017, June)
8. **Claborn, K.R.**, Manning, D., Operario, D., & Ramsey, S. Gaps in Care Coordination across the Treatment Cascade for HIV and Addiction Services. Poster presented the annual meeting of the International Symposium on HIV and Emerging Infectious Diseases, Marseilles, France. (2016, May)
9. **Claborn, K.R.**, Meier, E., & Miller, M.B. A Qualitative Investigation into Treatment Regimen Fatigue among People Living with HIV. Poster presented at the annual meeting of the International Symposium on HIV and Emerging Infectious Diseases, Marseilles, France. (2016, May)
10. **Claborn, K.R.**, Leffingwell, T.R., Miller, M.B., Meier, E., & Stephens, J.R. Development of an Electronic Intervention for HIV Medication Adherence. Poster accepted at the annual convention of the Association of Behavioral and Cognitive Therapy, Toronto, Canada. (2011, November)
11. **Claborn, K.R.**, Dempsey, J.P., Jaquez, S.D., Junghans, A.N., Hill, B., Lechner, W., Cohen, L.M., al'Absi, M. Cotinine as a Potential Predictor of Increased Anxiety during Nicotine Withdrawal. Poster presented at the annual meeting of the Society for Psychophysiological Research, Berlin, Germany. (2009, October)
12. Jaquez, S.D., Dempsey, J.P., Junghans, A.N., **Claborn, K.R.**, Kaplan, J., Lechner, W., & Cohen, L.M. Cardiovascular Activity and Process of Change in Nicotine Withdrawal. Poster presented at the annual meeting of the Society for Psychophysiological Research, Berlin, Germany. (2009, October)
13. Junghans, A.N., Dempsey, J.P., **Claborn, K.R.**, Jaquez, S.D., Lovett, D.E., Lechner, W., & Cohen, L.M. The Independent Contribution of Anxiety in Nicotine Withdrawal Induced Cardiac Deceleration. Poster presented at the annual meeting of the Society for Psychophysiological Research, Berlin, Germany. (2009, October)

National

1. SxSW

2. Samora, J., Ogle, K., Shifflet, S., Welch, A., *Ma, S., **Claborn, K.** (2022, November). Responding to the Overdose Crisis with Emergency Medicine: Perspectives on People Who Use Drugs During COVID and How Paramedics are Weathering the Storm. Poster Presentation. Annual Meeting of the Association for Behavioral and Cognitive Therapies, New York City, NY.
3. **Claborn, K.**, McCormick, K. & Cance, J. (October 2022). Co-Design Process to Build a Digital Platform for Community Overdose Response in Texas: TxCOPE. Innovation, Design Thinking, and Scholarship session at the National Harm Reduction Coalition Conference. San Juan, Puerto Rico.
4. McCormick, K., Samora, J., & **Claborn, K.** (October 2022). The Integral Role of Harm Reduction Organizations in Capturing Overdose Data in Texas. Panel at the National Harm Reduction Coalition Conference. San Juan, Puerto Rico.
5. **Claborn, K.** TxCOPE: Texans Connecting Overdose Prevention Efforts. Invited presentation to The University of Washington Tribal Health Council. (2022, June).
6. **Claborn, K.** & Daugherty, A. Digital System for Community-based Overdose Response. Presented at the annual meeting of HIMSS Global Health Conference. Orlando, Florida, (2022, March).
7. Samora, J., Ramos, T., Jhaveri, A., **Claborn, K.** Development of an Adherence Intervention among People with HIV Who Use Drugs: A Qualitative Study. Accepted for presentation at the annual convention of the Association for Behavioral and Cognitive Therapies, New Orleans, LA, United States. (Expected November 2021).
8. **Claborn, K.**, Benzer, J., Creech, S., Conway, F., Lippard, E., Miri, A. Multisectoral Partnership to Develop a System-level Intervention to Improve Overdose Surveillance among Community-based Harm Reduction Organizations. Addiction Health Services Research. (Expected October 2021).
9. **Claborn, K.** Substance Use Disorders & its Impact on Cognition. Invited workshop to the Criminal Justice Act Panel & Federal Defender Training. Charlotte, North Carolina. (2021, September).
10. **Claborn, K.** & Conway, F. Addressing the Syndemic Effects of COVID-19 and Illicit Drug Use among People who use Drugs. Symposium presented at the annual meeting of the American Psychological Association, virtual. (2021, August).
11. Brinkley, K., Welch, A., Ramos, T., Jhaveri, A., & **Claborn, K.** Design Sprint to Develop an Opioid Overdose Reporting Digital Platform. Paper presented as a Research Spotlight at the 42nd annual meeting & scientific sessions of the Society of Behavioral Medicine, virtual. (2021, April)
12. **Claborn, K.** Academic-Industry-Community Partnership to Develop a Statewide Overdose Tracking System. Paper presented as a Research Spotlight at the 42nd annual meeting & scientific sessions of the Society of Behavioral Medicine, virtual. (2021, April)
13. Lindstadt, C., Boyer, B., Pitasky, S., Mackert, M., **Claborn, K.**, Brownson, C., Wagner, J. Between “tipsy” and “feeling it”: A qualitative study of alcohol and consent on campus. To be presented at the annual conference of the International Communication Association, Virtual/Denver, C.O. (May 2021)

14. Brinkley, K., Welch, A., Ramos, T., Jhaveri, A., & **Claborn, K.** Design Sprint to Develop an Opioid Overdose Reporting Digital Platform. Abstract presented as a Research Spotlight at the 42nd annual meeting & scientific sessions of the Society of Behavioral Medicine, virtual. (2021, April)
15. Kioumars, A., Scott, K., Becker, S. & **Claborn, K.** Cross-training in HIV and substance use among community-based clinicians. Oral presentation at the American Public Health Association (APHA), 148th Annual Meeting. San Francisco, USA. (October 2020).
16. Kioumars, A., Hill, R. & **Claborn, K.** Barriers to treatment linkage among people with comorbid substance use and HIV. Paper presented to the College on Problems of Drug Dependence (CPDD), 82st Annual Meeting. Hollywood, Florida, USA, (2020, June). Virtual presentation due to cancelled conference due to COVID-19 pandemic.
17. Wagner, J., Redd, K., Mackert, M., Brownson, C., & **Claborn, K.** Creating a Health Communication Campaign to Address the Intersection of Alcohol & Consent, (2020, May). American College Health Association. Virtual presentation due to cancelled conference due to COVID-19 pandemic.
18. **Claborn, K.** Science + Entrepreneurship: Translating Innovation into the Real World. Invited Keynote Address to the annual research symposium at Oklahoma State University. Stillwater, Oklahoma (2020, March). Cancelled due to COVID-19 pandemic.
19. **Claborn, K.**, Conway, F., Nydegger, L., Nordquist, E., Nolen, E., Hill, R. Acceptability and Utility of Virtual Reality among People who are Incarcerated who use Drugs. Poster presented at the annual meeting of the Collaborative Perspectives on Addiction, San Diego, California. (2020, April). Virtual presentation due to cancelled conference due to COVID-19 pandemic.
20. Nydegger, L. & **Claborn, K.** Housing Instability among Black and Latina Women in Central Texas. Poster presented at the annual meeting of the American Public Health Association, Philadelphia, Pennsylvania (2019, November).
21. Nydegger, L. & **Claborn, K.** Exploring the Syndemics of IPV, Housing, and HIV Risk among Minority Mothers in Central Texas. Poster presented at the annual meeting of the American Public Health Association, Philadelphia, Pennsylvania (2019, November).
22. Nydegger, L. & **Claborn, K.** Structural Factors, Syndemic Factors, and Social Services as Barriers to HIV Prevention among Women of Color: A Longitudinal Qualitative Exploration. Paper accepted to the annual Interdisciplinary Association for Population Health Science, Seattle, Washington (2019, October).
23. **Claborn, K.** Technology Innovations to Address Barriers to Integrated Care Delivery in Rural Settings Burdened by the Opioid Epidemic. Paper presented to the annual meeting of the American Psychological Association, Chicago, Illinois (2019, August).
24. Dunbar, AB, Aston, ER, Guthrie, KM, Merlin, J, Champion, JD, & **Claborn, KR.** Prescribing Opioids as Motivational Incentives to Promote Health-Related Behaviors in Patients. College of Problems on Drug Dependence Annual Scientific Meeting. San Antonio, TX. (2019, June).
25. **Claborn, K.R.**, Cunningham, T., McElrath, J., Sherman, L., & Holleran-Steiker, L. Creating a Digital platform to Support an Integrated System of Care for Youth Substance Use Treatment and Recovery Supports. College of Problems on Drug Dependence Annual Scientific Meeting. San Antonio, TX. (2019, June).

26. Baysinger, A. & **Claborn, K.R.** Using controlled substance prescriptions as incentives for patient behaviors. Invited talk presented at the Dell Medical School Discovery & Inquiry Symposium. Austin, TX. (2019, May).
27. **Claborn, K.R.**, Jhaveri, A., Becker, S., Tavares, T., Schnarrs, P., & Nordquist, E. Creating an HIV/PrEP and Substance Use Integrated Care Digital Tool using Service Design Thinking. Paper presented at the annual meeting of the Society of Behavioral Medicine, Washington D.C. (2019, March).
28. Schnarrs, P., **Claborn, K.R.**, Light, B., Baldwin, A., & Rosenberger, J. G. Beliefs About Long Acting Injectable PrEP Among MSM Living in Central Texas: Preliminary Findings From An on-going CBPR Study. Poster presented at the annual meeting of the Society of Behavioral Medicine, Washington D.C. (2019, March).
29. **Claborn, K.R.**, Diaz, A., Safren, S., Operario, D., Rich, J., & Champion, J. Adaptation of the Life Steps HIV Adherence Intervention for People who use Illicit Drugs. Poster presented at the annual meeting of the Society of Behavioral Medicine, Washington D.C. (2019, March).
30. **Claborn, K.R.**, Becker, S., & Hodsdon, S. Development and Beta Testing of a Provider-level Mobile Application to Improve HIV and Addiction Treatment. Paper presented to the annual meeting of the Society of Behavioral Medicine, New Orleans, Louisiana (2018, April).
31. Merlin, J.S., Long, D., Becker, W., Cachay, E., Christopolous, K.A., **Claborn, K.R.**, Crane, H., Edelman, J., Harding, R., Kertesz, S.G., King, K., Liebschutz, J.M., Mathews, C., Mugavero, M., Napravnik, S., O'Cleirigh, C., Saag, M., Starrels, J., & Gross, R. The association of chronic pain and long-term opioid therapy with HIV treatment outcomes. Paper presented to the annual meeting of the Society of General Internal Medicine, Denver, Colorado (2018, April).
32. **Claborn, K.R.** Prescribing Opioids as an Incentive to Retain Patients in Medical Care: A Qualitative Investigation into Clinician Awareness and Perceptions. Podcast interview for the Journal of the Association of Nurses in AIDS Care, Austin, Texas (2018, September). <https://journals.lww.com/janac/pages/results.aspx?txtKeywords=claborn>
33. **Claborn, K.R.**, Aston, E., Champion, J., & Guthrie, K. Prescription-based Incentives to Improve Retention in HIV Care: Clinician Perspectives. Poster presented at the annual meeting of the Association of Nurses in AIDS Care, Denver, Colorado (2018, November).
34. Champion, J. & **Claborn, K.R.** Perceptions of PrEP, risk for contracting HIV and potential compliance with PrEP among IVDU accessing a needle exchange program. Paper presented at the annual meeting of the Association of Nurses in AIDS Care, Denver, Colorado (2018, November).
35. Watts A, **Claborn, K.**, Ahern D, Leavens E. Cognitive Functioning and Treatment Adherence in Individuals with Comorbid HIV-infection and Substance Use Disorders. Poster presented to the annual meeting of the American Academy of Neuropsychology, Boston, MA (2017, June).
36. **Claborn K.R.** The Intersection of HIV & Substance Use. Invited presentation to the Rhode Island Chapter of the Association of Nurses in AIDS Care (ANAC), Providence, Rhode Island. (2017, September).

37. **Claborn, K.R.**, Guthrie, K., Ramsey, S., & Saccoccio, M. Utility of Patient Navigators to Improve Care Continuum Outcomes among HIV-infected People Who Use Drugs. Poster presented at the annual meeting of the International Association of Providers of AIDS Care, Fort Lauderdale, Florida. (2016, May).
38. **Claborn, K.R.**, Tidey, J., & Ramsey, S. Provider Perspectives on Care Coordination for People Living with HIV who use Drugs. Poster presented at the annual meeting of the College on Problems of Drug Dependence, Palm Springs, California. (2016, June).
39. Brett, E., **Claborn, K.R.**, Leavens, E., Carbone, S. & Leffingwell, T.R. Patterns of Substance Use among HIV-infected People Who Use Drugs Engaged in HIV Care. Poster presented to the annual meeting of the Association of Behavioral and Cognitive Therapies, New York, New York. (2016, October).
40. **Claborn, K.R.**, Becker, S., Ramsey, S., & Saccoccio, M. Barriers to Implementing Effective Care Coordination Interventions within HIV and Outpatient Addiction Treatment Programs. Poster presented to the annual conference on the Science of Dissemination and Implementation in Health, Washington, D.C. (2016, December).
41. Donald, K., Fernandez, A., **Claborn, K.**, Kuo, C., Koen, N., Zar, H., & Stein, D. The Effects of HIV and Alcohol on Birth Outcomes in South Africa. Poster presented at the annual meeting of the Research Society on Alcoholism, San Antonio, Texas. (June, 2015).
42. Gillaspy, S.R., Leffingwell, T.R., Miller, M.B., Meier, E., & **Claborn, K.R.** Pediatric residents' competency in Motivational Interviewing following a training module and feedback: Outcomes at 3-month follow-up. Poster accepted at the annual conference of the Association of Psychologists in Academic Health Centers, Nashville, Tennessee. (2014, January).
43. **Claborn, K.R.**, Leffingwell, T.R., Meier, E., & Miller, M.B. Use of Technology in Dissemination of HIV Adherence Promotion Interventions within Outpatient Clinic Settings. Poster presented at the annual meeting of the Society of Behavioral Medicine, Philadelphia, Pennsylvania. (2014, April).
44. **Claborn, K.R.**, Leffingwell, T.R., Meier, E., Miller, M.B., & Stephens, J.R. Use of Technology in Dissemination of HIV Adherence Promotion Interventions within Outpatient Clinic Settings. Invited presentation to the Society for Behavioral Medicine Technology Special Interest Group, Philadelphia, PA. (2014, April).
45. **Claborn, K.R.** Adherence Interventions for HIV-infected Substance Users: State of the Science. Poster presented at the annual meeting of the Addiction Health Services Research, Boston, Massachusetts. (2014, October).
46. **Claborn, K.R.**, Miller, M.B., Meier, E., Lombardi, N., Leavens, E., & Leffingwell, T.R. Improving Antiretroviral Adherence in the Era of Computer-delivered Interventions: Patient & Providers' Perspectives. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Philadelphia, Pennsylvania. (2014, November).
47. **Claborn, K.R.**, Meier, E., Miller, M.B. & Leffingwell, T.R. Progress on Development of a Scale to Measure Treatment Regimen Fatigue among HIV-infected Patients Prescribed Antiretroviral Therapy. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Philadelphia, Pennsylvania. (2014, November).

48. Gillaspay, S. R., Leffingwell, T.R., **Claborn, K.R.**, Miller, M., Meier, E., & Cherry, A. Examination of Pediatric Resident Competency with Simulated Patients Following a Motivational Interviewing (MI) Training Module. Poster accepted to the annual meeting of the Pediatric Academic Societies/Eastern Society for Pediatric Research, New Orleans, Louisiana. (2013, February).
49. Gillaspay, S.R., Leffingwell, T.R., **Claborn, K.**, Ludwig, L., Naifeh, M. Evaluation of a Motivational Interviewing Training Module for Pediatric Residents. Poster presented at the annual convention of the Pediatric Academic Societies, Boston, Massachusetts. (2012, May)
50. **Claborn, K.R.**, Leffingwell, T.R., Miller, M.B., Meier, E., & Stephens, J. Randomized Trial Examining the Efficacy and Feasibility of an Electronic Intervention to Promote Adherence among HIV Patients. Poster accepted to the annual convention of the Association of Behavioral and Cognitive Therapy, National Harbor, Maryland. (2012, November)
51. Miller, M. B., Leffingwell, T. R., Meier, E., **Claborn, K.R.**, & Lombardi, N. What do college student drinkers want to know? A review of student preferences for personalized alcohol feedback. Poster accepted to the annual convention of the Association of Behavioral and Cognitive Therapy, National Harbor, Maryland. (2012, November).
52. Miller, M. B., Leffingwell, T. R., Meier, E., & **Claborn, K.R.** Which components of a personalized feedback intervention reduce high-risk drinking among college students? Poster accepted to the annual convention of the Association of Behavioral and Cognitive Therapy, National Harbor, Maryland. (2012, November)
53. Meier, E., Leffingwell, T.R., Miller, M.B., Lechner, W.V., Lombardi, N., **Claborn, K.**, Henschel, & Campbell, L. Self-Affirmations and Defensive Processing of an Alcohol-Related Risk Message.
