Research Support and External Funding

Ongoing Research Support

Co-PI, Building Capacity for CER/PCOR Participation among BIPOC Adults on the Autism Spectrum. Funded by the Patient Centered Outcomes Research Institute (PCORI). Meghan Bair Merritt at Boston Medical Center, principal investigator. \$246,536, 9/1/21-8/30/23.

Principal Investigator, ACT LEND Program. Leadership Education in Neurodevelopmental and other Developmental Disabilities (LENDs) are part of a national network of interdisciplinary leadership training programs for graduate students in serving developmental disability populations. Funded by the Maternal and Child Health Bureau (BCHB) of the Health Resources and Services Administration (HRSA). \$2,242,855, 7/1/21-6/30/26.

Principal Investigator, Texas Center for Disability Studies (TCDS). TCDS is a University Center of Excellence in Developmental Disabilities (UCEDD). Funded by the Administration for Community Living (ACL). \$2,887,245, 7/1/17-6/30/22.

Principal Investigator, PODER II. This study will expand upon the PODER grant by recruiting a sample of 40 non-Latino children with IDD and their families and will examine the impact of COVID-19 on the health and well-being of Latino and non-Latino families of children with IDD. Funded by the Healthy Weight Research Network: Children with Autism Spectrum Disorder & Developmental Disabilities under the Maternal Child Health Bureau's Division of Research, \$25,000, 7/1/20-6/30/21.

Principal Investigator, PODER: **P**romoting **O**besity prevention among Latino children with **D**evelopmental disabilities and families through **E**ngaged **R**esearch. This is a 3-study grant examining obesity and health promotion among Latino children with IDD and their caregivers and developing and testing an intervention for this target population. It is a Disability and Rehabilitation Research Project (DRRP) funded by NIDILRR, 90DPHF0005-01-00, \$2,499,309, 10/1/2019-9/30/2024.

Co-PI, ASD Screening and Parent ENGagement (ASPEN) intervention. The goal of this project is to examine the efficacy of the ASD Screening and Parent ENGagement (ASPEN) intervention, a culturally-informed parent-mediated intervention (PMI) delivered to caregivers and children at risk for ASD who reside in low-resource households. Funded by NIDILRR, IFST19000035, \$600,000, 10/1/2019-9/30/2022. PI of subcontract from Texas State University (Vanegas).

Updated 12/22/2021

Co-I, Building Related Service Capacity through Interdisciplinary Goals, Education, and Experiences (BRIDGE). This is a partnership between Social Work, Speech, Language and Hearing Sciences, Special Education and Texas Center for Disability Studies at UT designed to train master's level personnel to provide quality services to children transitioning from the public schools to adulthood. Grant funded by US department of Education providing student scholarships (PI, Franco). 1/1/20-12/31/25.

Co-I, Project SKILLS Plus- Skills and Knowledge of Intervention for Language Learning Success. This project teaches parents and caregivers strategies to decrease behavioral issues and increase communication and language skills in children with ASD. Dr. Magaña is implementing a culturally adapted version. Grant funded by the Texas Higher Education Coordinating Board (PI, Franco). 1/1/2019-12/31/21.

Completed Research Support

Principal Investigator, Family Support Research and Training Center. This is a center grant that brings together research on policy and practice related to supporting families of persons with disabilities. Funded by NIDILRR, 90RT50320-01-00, \$4,375,000, 10/1/2014-9/30/2020. I was PI of this grant at UIC from 2014 to 2017. From 2017 to 2020 My role became co-PI and was subcontracted to UT by UIC (PI, Heller).

Co-Investigator, Rehabilitation Research and Training Center on Developmental Disabilities and Health. I am Co-PI on 2 research projects within this center: National Health Outcomes Indicators, and Longitudinal Health and ID. Funded by NIDILRR (Heller) 90RT5020-01-00, \$4,375,000, 10/1/2013-9/30/2018.

Principal Investigator, Parents Taking Action: A parent training intervention for Latino immigrant families of children with ASD. This study will test the efficacy of the parent education program developed for Spanish speaking Latinos. Funded by NIDILRR, 90IF0072-01-00, \$584,241, 10/1/2014-9/30/2017.

Principal investigator of subcontract, By Caring for Myself, a health intervention for older Latino caregivers of children with autism and developmental disabilities. This is a pilot study that will incorporate technology and rigorous data collection methods to an existing intervention developed by the PI. Funded by the Midwest Roybal Center for Health Promotion Translation, NIA P30AG022849 (Hughes), \$40,000, 6/1/16-5/31/17.

Principal investigator, Parents Taking Action—Colombia. This project will culturally adapt and test a parent education program in Colombia. Funded by the UIC Global Health & Well-Being Research Seed Program, \$15,000, 10/1/2015-9/30/2016.

Principal Investigator, Promoting Participation among Latino Children with ASD. This project engages occupational therapists with community health workers to increase participation among Latino children with ASD. Funded by the American Occupational Therapy Foundation, \$41,349, 4/1/2014-12/31/2015.

Co-Investigator, Racial and Ethnic Disparities in Children's Early Diagnosis and health Services. This project is funded by the Maternal and Child Health Bureau of the Health Resources and Services Administration (MCHB/HRSA). Esther Son, Principal Investigator, \$100,000, 9/1/14-8/30/15.

Updated 12/22/2021

Principal Investigator, Cultural Equivalence of Autism Assessment for Latino Children. The goal of this project is to evaluate the reliability and validity of the Autism Diagnostic Interview Revised (ADI-R) with Spanish Speaking US families. NICHD R03 HD064828-01A1. \$100,000, 12/20/10-11/30/14.

Co-Investigator, Trends in racial/ethnic health care disparities among children with autism and other DD. This project is funded by the Maternal and Child Health Bureau of the Health Resources and Services Administration (MCHB/HRSA). Susan Parish, Principal Investigator, \$100,000, 9/1/13-8/30/14.

Principal Investigator, Parents Taking Action. This is a psychoeducational parent training program for Latino parents of children with ASD. Funded by the Illinois Autism Program (TAP). \$20,000 7/1/2013-6/30/2014.

Co-Investigator, Racial and Ethnic Disparities in Health Care for US Children with Autism. This project was funded by the Maternal and Child Health Bureau of the Health Resources and Services Administration (MCHB/HRSA). Susan Parish, Principal Investigator, \$100,000, 10/1/2010 to 9/30/2011.

Principal Investigator, Addressing the Informational Needs of Latino Immigrant Parents of Children with Autism Spectrum. Morgridge Center Matching Funds, \$47688, 1/1/11-12/31/12

Principal Investigator: Addressing the informational needs of Latino immigrant parents of children on the autism spectrum. This project was funded by grant 1UL1RR025011 from the Clinical & Translational Science Award (CTSA) program of NCRR/NIH, \$192,065, 9/1/10-8/31/12.

Principal Investigator, Caring for Myself. UW-Madison Morgridge Center Matching Funds. This grant provided a 50% match to a United Way grant of a community based project working with Catholic Charities to adapt an intervention for African American caregivers of children with developmental disabilities. \$7350. 6/1/2010-5/31/2011.

Principal Investigator, Caring for Myself. United Way. This was a community based project in collaboration with Catholic Charities to adapt a caregiver intervention for African American mothers of children with developmental disabilities. (\$14,700). 1/1/2009-12/31/2010.

Principal Investigator of subcontract, Health Education for Latina Mothers of Children with Developmental Disabilities. University of Illinois at Chicago Rehabilitation Research and Training Center (NIDRR funded, Heller), \$250,000, 10/1/08-9/30/13.

Principal Investigator, Latino Families of Children on the Autism Spectrum. University of Wisconsin Institute on Race and Ethnicity, \$5000, 07/01/07-06/30/08.

Principal Investigator of subcontract: Latino Families of Children on the Autism Spectrum. Center for the Study of Cultural Diversity in Health Care, UW School of Medicine and Public Health (NIH funded) \$33,984, 5/29/06-2/28/08.

Principal Investigator: Aging Latino and African American Caregivers of Children with Developmental Disabilities. University of Illinois at Chicago Rehabilitation Research and

Updated 12/22/2021

Training Center on Aging with Developmental Disabilities (NIDRR funded). \$71,251, 10/1/03-09/30/08.

Principal Investigator: Latino and African American Caregivers. Hartford Geriatric Scholars Program. \$100,000, 09/01/03-08/31/05.

Co-Investigator: SSI Cases, Child Support, and Economic Well-Being. Wisconsin Department of Workforce Development. \$220,000. Part of Child Support Demonstration Evaluation, Maria Cancian and Daniel R. Meyer, Principal Investigators. \$5,500,000. 04/01/03-06/30/06.

Co-Investigator: Impacts of Parenting Adolescents and Adults with Autism. National Institute on Aging. Principal Investigator, Marsha Mailick Seltzer (R01 AG008768), 9/1/00-3/31/12.

Principal Investigator: Latino and African American Families of Adults with Mental Illness. National Institute of Mental Health (Minority Supplement to R01MH55928, PIs Jan Greenberg & Marsha Seltzer, \$362,652, 07/01/00-03/01/04.

Principal Investigator: Latino Families of Adults with Severe Mental Illness. Graduate School, University of Wisconsin-Madison, \$11,457, 07/01/02-06/30/03.

Co-Principal Investigator with Marsha Seltzer: Aging with Autism and Mental Retardation. University of Chicago Rehabilitation Research and Training Center on Aging with Developmental Disabilities, \$21,408.00, 10/1/02-9/30/03.

Principal Investigator. Latino and African American Families of Adults with Mental Illness. University of Wisconsin Institute on Race and Ethnicity, \$5000, 07/01/01-06/30/02.

Refereed Research Presentations/Posters:

Must, A., Bowling, A., Kral, T., Magaña, S., Sikich, L. Stanish, H., Tybor, D. Bandini, L., Curtin, C. Eliasziw, M. (2021, May). The relationship between obesity and autism spectrum disorder varies by child age and parent body mass index in a sample of sibling dyads. [Poster presentation]. INSAR 2021 Virtual.

Eliasziw, Bowling, A., Kral, T., Magaña, S., Sikich, L. Stanish, H., Tybor, D. Bandini, L., Curtin C., & Must, A. (2021, May). Noninferiority of a rapid 5-item version of the social responsiveness scale for the identification of children with autism spectrum disorder. [poster presentation] INSAR 2021 Virtual.

Vanegas, S. Magaña, S., & Zeng, W. (2021, May). Characterizing the diagnosis and service odyssey in Texas: Results from a needs assessment survey. [Poster presentation] INSAR 2021 Virtual.

Zeng, W., Magaña, S., Lopez, K., & Machalicek, W. (2021, May). *Depression among Latinx mothers of children with ASD: Did a culturally tailored parent psychoeducation interventions show positive effects on maternal depressive symptoms?* [Oral presentation] INSAR 2021 Virtual.

Magaña, S. Zeng, W., & Lopez, K. (2021, May). Revisiting a parent education program for Latinx families: Are positive effects maintained overtime? In S. Habayeb (Chair) *Decentralizing ASD Knowledge, Resources, and Services Away from ASD Specialists in Diverse Communities* [symposium]. INSAR 2021 Virtual.

Dababnah, S., Shaia, W. E., Kim, I., & Magaña, S. (2021, April). A feasibility study of a peer-to-peer parenting program for urban Black families raising children with autism. In L. Ruble (Chair), *Parents and teachers: Collateral benefits for children with ASD* [symposium].
