

Steve Hicks School of Social Work | The University of Texas at Austin
1925 San Jacinto Blvd, D3500, Austin, TX, 78712-0358 | Email: yjzhou@utexas.edu

EDUCATION

- | | | |
|------|--------|---|
| 2021 | PhD | University of Washington, Seattle, WA, USA
Social Welfare PhD program

<i>Dissertation: Developing and validating a behavioral framework of dementia caregiving in fall risk management for community-dwelling older adults living with dementia (Passed with distinction)</i>
<i>Qualifying paper: A mixed-method systematic review on informal caregivers' experiences of fall risk among community-dwelling older adults with dementia.</i>

Center of Statistics and the Social Sciences Certificate
QUAL Concentration - Qualitative Multi-Method Research Program |
| 2016 | M.A. | Xiamen University, Xiamen, Fujian, China
Master program in Social Work Research

<i>Thesis: Practice process of social workers participating in developing health care interprofessional collaborative assessment: A participatory action research in a community-based dementia care program</i> |
| 2012 | B.S.W. | Xiamen University, Xiamen, Fujian, China
Bachelor of Social Work

<i>Thesis: Roles of social work in community development in urban China: A case study of a community-based care program for older adults</i> |

EMPLOYMENT

- | | |
|---------------------|---|
| Feb. 2022 - present | Courtesy Assistant Professor
Dell Medical School, Department of Health Social Work, University of Texas at Austin |
| Nov. 2021 - present | Faculty Affiliate
The Population Research Center, University of Texas at Austin |

- Aug. 2021 - present** **Faculty Affiliate**
The Center on Aging and Population Sciences, University of Texas at Austin
- Aug. 2021 - present** **Assistant Professor**
Steve Hicks School of Social Work, University of Texas at Austin

GRANT SUPPORTS

- 2023** **Summer Research Award**
Title: Using community-based participatory research to develop a care partner-engaged fall risk management intervention for older people with dementia (OPWD)
Role: Principal Investigator; \$9,000
Goal: To incorporate the experiences of different stakeholders and facilitate their collaborations to co-develop a care partner-engaged fall risk management intervention for community-dwelling OPWD.
- 2022** **National Institutes of Health (R21)**
Title: Engaging care partners in fall risk management for community-dwelling older adults living with dementia
Role: Principal Investigator; \$442,972
Goal: To set the stage for novel interventions by developing and evaluating a measure of dementia care partner fall risk management behaviors.
- 2020** **National Institute on Aging (F99/K00)**
Title: Engaging care partners in fall risk management for community-dwelling older adults living with dementia
Role: Principal Investigator; \$423,524
Goal: To utilize data from multiple sources to understand how to engage diverse dementia care partners in managing fall risk and translate these findings into a culturally tailored intervention.
Scored 30 and withdrawn.

FELLOWSHIPS & AWARDS

- 2020** **Martha H. Duggan Fellowship in Caring Labor (\$10,000)**
For graduate students committed to researching or serving those who provided caring labor.

- 2019 **National Association of Social Workers (NASW) / Council on Social Work Education (CSWE) Social Work HEALS Doctoral Fellowship (\$17,900)**
For doctoral students who demonstrated commitment to the field of health social work and engaged in dissertation research related to health care practice, policy or education.
- 2019 **Kath Wilham Doctoral Student Advanced Training Grant Award, University of Washington School of Social Work (\$1,000)**
- 2018 **University of Washington Population Health Conference Travel Award (\$1,500)**
- 2018 **University of Washington Retirement Association Graduate Student Fellowship in Aging (\$8,109 + tuition waiver)**
Fellowship for graduate students of outstanding academic merit who have a demonstrated academic and personal interest in aging-related issues.
- 2017 **UW Center for Statistics and the Social Science, Graduate Student Travel Grant (\$800)**
A competitive travel grant for proposals that demonstrate sophisticated use of statistical methodology and potential for significant impact.
- 2017 **Outstanding Master Thesis Award in Fujian Province, China**
A competitive annual award for outstanding master's degree thesis by graduates from universities in Fujian Province, China.
- 2016 **UW Graduate School Top Scholar Award (\$7,662 + tuition waiver)**
From School of Social Work funds to build competitive financial packages to attract outstanding students to University of Washington.
- 2015 **Favorite Social Work Documentary Prize (1st prize), awarded by University of Southern California, USC School of Social Work, Center for Asian Pacific Leadership**
Documentary film-making team member for film that depicts the hopes and struggles of grandparents in China who traveled long distances to help care for their grandchildren. Website: <https://www.youtube.com/watch?v=VIi-CrrytGs>
- 2012 **Scholarship for Social Science Academy, Department of Public Affairs, Xiamen University, Xiamen, Fujian, China**
To recognize top students who show outstanding capacities in social science research.

2009

University Scholarship, Xiamen University Xiamen, Fujian, China
To recognize undergraduate students' academic and personal achievement.

RESEARCH FOCUS & EXPERIENCES

Research Focus

Dementia care	Interdisciplinary collaboration
Health management for older adults living with chronic illness and disability	Home- and community-based services
Informal and formal caregiving for older adults	Integrated health and social services
Resilience in caregiving	Health disparities

Research experiences

June. 2020 – June. 2021 Graduate Research Assistant

University of Washington School of Social Work
NIH/NIA (K01) *Engaging Older Adults with Cognitive Impairment in Planning for Technology Use in Their Care: The Identifying Needs for Optimal Remote Monitoring tool (INFORM)*
PI: Clara Berridge, PhD, MSW
Responsibilities: Develop survey analysis plan; clean and analyze quantitative survey data; conduct literature review; co-author peer-review publications

June. 2017 – June. 2021 Research Scientist

University of Washington School of Nursing
NIH/NIA (R21) *Promoting Caregiver Resilience During Medical Crisis of Persons Living with Dementia*
PI: Tatiana Sadak, PhD, PMHNP, RN, FAAN
Responsibilities: Led the measurement development of resilience behaviors among care partners of people living with dementia; conducted a scoping review and a systematic review; generated conceptual framework for measure development; collected qualitative and quantitative data to validate the conceptual framework; developed and implemented data collection protocols; trained research staff in data collection; prepared presentations and manuscripts

Jan. 2018 – Dec. 2018

Graduate Research Assistant

University of Washington School of Social Work
NIMH (R36) *HIV Testing, Socio-political Context and Health of Latino*

immigrants

PI: Jane Lee, PhD, MSW

Responsibilities: Conducted mixed methods systematic review; implemented quantitative (multinomial logistic regression analysis and latent class modeling) and qualitative data analysis (study conceptualization and grounded theory analysis); participated in manuscript preparation

Sep. 2017 – Dec. 2017

Graduate Research Assistant

Mar. 2020 – June. 2020

University of Washington School of Social Work

Interprofessional education implementation plan for UW School of Social Work

PI: Taryn Lindhorst, PhD, MSW; Tessa A. Evans-Campbell, PhD, MSW

Responsibilities: Examined literature on interprofessional social work education; facilitated interprofessional education opportunities for BASW and MSW students.

Mar. 2017 – June. 2017

Graduate Research Assistant

University of Washington School of Social Work

Socioeconomic Status Trajectories and Later Life Physical Health

PI: Melissa Martinson, PhD, MSW

Responsibilities: Conducted longitudinal analysis using Wisconsin Longitudinal Study (WLS) and supported the presentation and manuscript preparation

Sep. 2016 – Sep. 2017

Volunteer researcher

University of Washington Medicine, Memory Brain Wellness Center

Momentia in My Neighborhood (MIMN): An Asset-based Community Development Approach for Producing Dementia-Friendly Programs

Practice Team: Marigrace Becker, MSW, Cayce Cheairs

Responsibilities: Developed program evaluation design; collected quantitative & qualitative data from participatory observation and focus group interview; analyzed the data; prepared for a conference presentation.

June. 2015 – June. 2016

Graduate Research Assistant

Xiamen University Department of Sociology and Social Work

A Participatory Action Research Project to Develop Social Workers' Role in Dementia Care Planning in Urban China

Advisor: Min Tong, PhD, MSW, MA

Responsibilities: Synthesized literature on evidence-based practices; developed partnership between university research team and interprofessional healthcare team; developed dementia care needs assessment protocols and collaboration tools for community

physicians, nurses and social workers; presentation and manuscript preparation

June. 2015 – June. 2016 Graduate Research Assistant

Xiamen University Department of Sociology and Social Work
Integrate Non-pharmacological Interventions with Social Work Practice in Community-based Dementia Care Programs in Urban China

Advisor: Min Tong, PhD, MSW, MA

Responsibilities: Synthesized literature about non-pharmacological interventions for people with dementia; utilized participatory observation, in-depth interview, and archive data to develop a practice model of how to integrate non-pharmacological interventions with social work practice

Mar. 2014 – Sep. 2014 Graduate Research Assistant

Xiamen University Department of Sociology and Social Work
Developing community health promotion strategies through grandparenting in urban China

Advisor: Min Tong, PhD, MSW, MA

Responsibilities: Reviewed and summarized literature about health promotion, intergenerational education, life education, and role of grandparenting in family health promotion to inform project design.

Dec. 2013 – Dec. 2014 Graduate Research Assistant

Xiamen University Department of Sociology and Social Work
Community-based Participatory Research for Utilizing Local History and Community Culture to Transform Community Governance in Urban China

Advisor: Min Tong, PhD, MSW, MA

Responsibilities: Conducted in-depth interviews, participatory observation, focus groups, and archive data collection; qualitative data analysis; developed service protocols and policy reports for government agencies involved in planning community public services

Mar. 2013 – Jan. 2014 Graduate Research Assistant

Xiamen University Department of Sociology and Social Work
Developing Interprofessional Training for Community Geriatric Health and Social Care Practitioners

Advisor: Min Tong, PhD, MSW, MA

Responsibilities: Synthesized literature about interprofessional health education; used participatory approaches in developing training modules; conducted participatory observation for implementation of trainings; evaluated programs at the organizational level.

ADDITIONAL PROFESSIONAL TRAINING

2022	The Center on Aging & Population Sciences Proposal Preparation Program (PPP) (Accepted)
	The summer grant proposal workshop for early stage investigators working in research areas that fit the CAPS themes: Demography and economics of aging, life course antecedents of adult development and aging, environment and place (including neighborhood, regions), and social contexts of aging.
2021	2021 The Michigan Center for Contextual Factors in Alzheimer's Disease (MCCFAD) Summer Data Immersion Program The Summer Data Immersion (SDI) program provides hands-on training in the use of publicly available data resources to address important research questions relevant to ADRD.

PRACTICE EXPERIENCE

- Oct. 2016 – Sep. 2017** **Program Evaluation Intern**
UW Medicine Memory & Brain Wellness Center, Seattle, WA
Conducted an evaluation of a community outreach and education program named “Momentia in My Neighborhood.”
- July. 2012 – June. 2013** **Program Social Work Intern**
Community residential committee, Lvlin, Fujian, China
Assisted the committee to develop its youth volunteer program and elder care program, and facilitated the collaborations between social service agencies and the committee.
- Oct. 2011 – July. 2012** **Co-Founder and Volunteer Coordinator**
“Amoy Fellow” Program, Xiamen, Fujian, China
Led a project concerning the civic education and youth participation of the college students (over 100 volunteers), funded by “Black Apple Youth” Contest of College Student’s Social Entrepreneurship
- Aug.2011 – Oct.2011** **Program Intern**
Non-profit Incubator Chengdu Office, Chengdu, Sichuan, China
Conducted community-based, post-disaster (after May 12. 2008, Sichuan Earthquake) needs assessment for community-dwelling older adults; completed needs assessment report to local government for apply grants to improve community-based services for older adults in that region
- July. 2011- Aug. 2011** **Social Work Intern**
Community residential committee, Jinjiang, Fujian, China
Participated in community assets and needs assessment to explore program opportunities for developing intergenerational programs for youth and older adults living in a rural area in China
- Oct. 2010 – Feb. 2011** **Social Work Intern**
Community residential committee, Xiamen, Fujian, China
Participated in the development of a home-based care program for community-dwelling older adults, coordinated an older adults’ leisure activity groups
- Sep. 2009 – Sep. 2010** **Social Work Intern**
Guoren Migrant Workers’ Home, Xiamen, Fujian, China
Designed and implemented an educational and social services program to children whose parents were migrant workers;

participated in the 3rd Art Festivals of Brave New Workers in Beijing for migrant workers advocacy

TEACHING EXPERIENCE

- Fall 2022 (Oct. 18, 2022)** **Theoretical construction: Developing theoretical frameworks for measuring and enhancing resilience in dementia care partners, University of Texas at Austin, Steve Hicks School of Social Work**
Guest lecturer in the doctoral course “Theories of Social Work Practice “(Instructor: Dr. Cynthia Franklin)
- Fall 2022** **Theories and Critical Perspectives of Human Behavior and the Social Environment (MSSW), University of Texas at Austin, Steve Hicks School of Social Work**
Sole Instructor
- Fall 2019**
Fall 2020 **Foundation of Social Welfare Research (MSW), University of Washington, School of Social Work**
Sole Instructor
- Spring 2019**
Winter 2019 **Community Service Learning (BASW), University of Washington, School of Social Work**
Teaching assistant and guest lecturer:
The role of community-based participatory research in social work practice; Data collection for social change
- Winter 2019** **Foundation of Social Welfare Research (MSW), University of Washington, School of Social Work**
Guest lecturer: *Mixed methods in social work research*
- 2017-2018 academic year** **Trainee in Interprofessional Education (IPE) Teaching Fellows Program, University of Washington, Center for Health Sciences Interprofessional Education Research and Practice (CHSIE)**
Completed IPE training, co-facilitated two IPE training workshops (Foundations of Interprofessional Practice) for health science students from different professional fields.
- Winter 2018** **Contexts of Disability and Anti-Ableist Practice (MSW), University of Washington, School of Social Work**
Teaching practicum and guest lecturer: *Housing, home and community-based services.*

PROFESSIONAL MEMBERSHIPS

- 2018 - Society for Social Work Research (SSWR)
- 2017 - The Gerontological Society of America (GSA)
- 2020 - The Association for Anthropology, Gerontology and the Life Course (AAGE)
- 2020 - Association for Gerontology Education in Social Work (AGESW)

ACADEMIC SERVICE

- 2022- Member, Executive Committee, UT Austin Steve Hicks School of Social Work
- 2022- Member, APP Concentration Subcommittee, UT Austin Steve Hicks School of Social Work
- 2022- Member, International Committee, UT Austin Steve Hicks School of Social Work
- 2021- Member, MSW Curriculum Committee, UT Austin Steve Hicks School of Social Work
- 2022 Reviewer, *Innovation in Aging* (12/19/22)
- 2022- Reviewer, *BMC Geriatrics* (07/13/22)
- 2022 - Reviewer, *International Journal of Geriatric Psychiatry* (07/04/22)
