

John Moore, MSW, PhD Candidate

johnmoore@utexas.edu

(704) 942-4140

EDUCATION

- 2023 (expected) **Doctor of Philosophy in Social Work**
Steve Hicks School of Social Work
The University of Texas at Austin
- Dissertation: Determinants of substance use recurrence among individuals with comorbid substance misuse and psychotic disorders
Dissertation Committee: Yessenia Castro, Ph.D. (Chair), Diana DiNitto, Ph.D., Mercedes Hernandez, Ph.D., Mary Velasquez, Ph.D., Richard Brown, Ph.D.
- 2022 **Certificate in Applied Statistical Modeling**
Department of Statistics & Data Science
The University of Texas at Austin
- 2018 **Master of Social Work**
Brown School
Washington University in St. Louis
- 2017 **Bachelor of Social Work**
School of Social Work
University of North Carolina at Charlotte

HONORS, FUNDING AWARDS, AND FELLOWSHIPS

- 2022 Donald D. Harrington Dissertation Fellowship (2022-2023), The University of Texas at Austin Graduate School (\$51,000)
- 2022 Provost's Fellowship Supplement (2022-2023), The University of Texas at Austin Graduate School (\$5,000)
- 2022 Graduate School Fellowship (2021-2022), The University of Texas at Austin Graduate School (\$10,500)
- 2022 Provost's Fellowship Supplement (2021-2022), The University of Texas at Austin Graduate School (\$5,000)
- 2021 Mindy Hildebrand Endowed Scholarship (2021-2022), Steve Hicks School of Social Work (\$2,000)

2021	Provost's Fellowship Supplement (2021-2022), The University of Texas at Austin Graduate School (\$5,000)
2020	Graduate School Fellowship (2020-2021), The University of Texas at Austin Graduate School (\$31,504)
2020	AMERSA Conference Registration Award
2020	National Hispanic Science Network (NHSN) NIDA R13 Travel Award
2020	Graduate School Summer Fellowship, The University of Texas at Austin Graduate School (\$7,500)
2020	Steve Hicks School of Social Work Addictions Research Fellow
2020	Waggoner Center for Alcohol and Addiction Research Fellow
2020	Texas Research Society on Alcoholism (TRSA) NIAAA R13 Travel Award
2019	Provost's Fellowship Supplement (2019-2020), The University of Texas at Austin Graduate School (\$5,000)
2019	Graduate School Fellowship (2019-2020), The University of Texas at Austin Graduate School (\$7,500)
2018	Master of Social Work Research Project of the Year (Runner-up), Brown School, Washington University in St. Louis
2017	Excellence in Academic Research, School of Social Work, University of North Carolina at Charlotte
2017	Communication Consultant of the Year (Runner-up), University of North Carolina at Charlotte
2016	The Honor Society of Phi Alpha Phi
2016	Phi Alpha National Honor Society

RESEARCH AREAS

Substance misuse, recovery, and behavior change; substance misuse and serious mental illness; substance misuse and people experiencing homelessness; treatment access for underserved populations; healthcare access; geographic disparities in substance use behaviors; substance misuse among criminal justice populations

PEER-REVIEWED PUBLICATIONS (PUBLISHED OR IN PRESS)

MANUSCRIPTS UNDER REVIEW

1. **Moore, J. R.**, Renn, T., Veeh, C. A., & Pettus-Davis, C. (2022). *The unique associations of childhood and adult trauma on substance use disorder, mental health status, and emotional well-being among incarcerated men nearing reentry*. Manuscript submitted for publication.
2. Veeh, C. A., Renn, T., & **Moore, J. R.** (2022). *Self-efficacy and academic outcomes among justice-involved youth*. Manuscript submitted for publication.
3. Renn, T., **Moore, J.R.**, Veeh, C., & Pettus, C. (2022). *The relationship between opioid use and mental and physical health among a criminal justice-involved population*. Manuscript submitted for publication.
4. Hill, L. G., Young, V. S., Erickson, C. E., **Moore, J. R.**, & Velasquez, M. M. (2022). *Interprofessional SUD and SBIRT Training for Health Professions Students*. Manuscript submitted for publication.
5. Renn, T., **Moore, J. R.**, & Veeh, C. A. (2022). *Comparing behavioral health outcomes and treatment utilization of justice-involved and non-justice-involved American Indian and Alaska Native adults*. Manuscript submitted for publication.

MANUSCRIPTS IN PROGRESS

1. **Moore, J.R.** (2022). *Correlates of substance use treatment outcomes among adults with comorbid serious mental illness*. Manuscript in preparation.
2. **Moore, J. R.**, von Sternberg, K., Field, C., & Velasquez, M. (2022). *A comparison of profiles of change among trauma patients who screened positive for cannabis use*. Manuscript in preparation.
3. **Moore, J.R.** (2022). *An examination of associations of formal substance use treatment receipt status among adults in substance use recovery*. Manuscript in preparation.
4. Guerra, Z., Londono, T., **Moore, J. R.**, Heydarian, N., & Castro, Y. (2022). *Smoking social norms among Mexican-Origin smokers*. Manuscript in preparation.
5. Beeler-Stinn, S., **Moore, J.R.**, Renn, T., & Veeh, C.A. (2022). *Differences in tobacco use and receipt of screeners among females with and without criminal justice involvement*. Manuscript in preparation.
6. Heydarian, N., Guerra, Z., Castro, Y., **Moore, J.R.**, & Hughes, A. (2022). *Development of a measure for people with diabetes' interactions with healthcare professionals*. Manuscript in preparation.
7. Chen, Q., **Moore, J.R.**, Noel, Lailea, von Sternberg, K., & Jones, B. (2022). *Sociodemographic correlates of health literacy skills among patients and survivors with cancer: National findings from BRFSS 2016*. Manuscript in preparation.

ORAL PRESENTATIONS

1. Veeh, C.A., Renn, T., **Moore, J.R.**, & Byram, E.A. (2022, January 12-16). *The relationship of lifetime traumatic brain injury with drug use and delinquency in the year prior to incarceration: A propensity score-matched analysis of incarcerated youth in two states*. [Oral presentation]. Society for Social Work and Research (SSWR) 26th Annual Conference. Washington, D.C, United States. <https://secure.sswr.org/2022-conference-home/>
2. Kwitney, M., Burki, A., Dauster, J.D., Ha, O., **Moore, J.R.**, Noah, F., & Christian, N. (2021, October 13-15). *Design and implementation of a community-based quality improvement project to support neighbors in recovery in a permanent supportive housing community* [Oral presentation]. Addiction Health Services Research Conference. (2021). <https://www.ahsrconference.org/2021/agenda/>
3. **Moore, J. R.** (2021, February 24). *Correlates of substance use treatment receipt among adults in substance use recovery* [Oral presentation]. St. David's CHPR 19th Annual Conference. Austin, TX, United States. <https://nursing.utexas.edu/st-david%E2%80%99s-chpr-19th-annual-conference>
4. **Moore, J. R.** (2021, February 5). *Associations of medical cannabis use with healthcare attendance and receipt of SBIRT services* [oral presentation]. Texas Research Society on Alcoholism (TRSA) Scientific Meeting, Bryan, TX, United States. <http://www.trsoa.org/2021Meeting>

POSTER PRESENTATIONS

1. **Moore, J. R.**, von Sternberg, K., & Velasquez, M. (2022, January 12-16). *Comparing profiles of the transtheoretical model of change constructs for reducing cannabis use among trauma patients*. [Poster presentation]. Society for Social Work and Research (SSWR) 26th Annual Conference. Washington, D.C, United States. <https://secure.sswr.org/2022-conference-home/>
2. Renn, T., **Moore, J.R.**, & Veeh, C.A. (2022, January 12-16). *Comparing behavioral health outcomes and treatment utilization of justice-involved and non-justice-involved Native Adults*. [Poster presentation]. Society for Social Work and Research (SSWR) 26th Annual Conference. Washington, D.C, United States. <https://secure.sswr.org/2022-conference-home/>
3. **Moore, J. R.**, von Sternberg, K., & Velasquez, M. (2021, November 3-5). *A profile analysis of transtheoretical model of change constructs for reducing cannabis use among trauma patients* [Poster presentation]. Association for Medical Education and Research in Substance Abuse (AMERSA) 2021 Conference, Boston, MA, United States. <https://amersa.org/conference/conference-at-a-glance/>
4. Conway, F., **Moore, J.R.**, Nolen, E., Samora, J., Ahsen, A.S., Jeong, H., & Cheng, A. (2021, April 29-30). *Relapse prevention: Mobile biofeedback breathing intervention* [Poster presentation]. Texas Substance Use Symposium. San Antonio, TX, United States. <https://txsus.org/>

5. **Moore, J. R.,** & Castro, Y. (2021, January 19-22). *At-risk drinking, current smoking, and attending a past-year primary care doctor visit* [Poster presentation]. Society for Social Work and Research (SSWR) 25th Annual Conference. San Francisco, CA, United States.
<https://www.sswrvirtual.com/>
6. **Moore, J. R.,** Eikenberry, J. M., Fedina, L., & Devylder, J. (2021, January 19-22). *Associations between solitary confinement and psychosis symptoms in a post-release community setting* [Poster presentation]. Society for Social Work and Research (SSWR) 25th Annual Conference. San Francisco, CA, United States. <https://www.sswrvirtual.com/>
7. Renn, T., **Moore, J. R.,** & Veeh, C. A. (2021, January 19-22). *The metropolitan area context of substance use and substance use disorders among adults on probation or parole supervision* [Poster presentation]. Society for Social Work and Research (SSWR) 25th Annual Conference. San Francisco, CA, United States. <https://www.sswrvirtual.com/>
8. **Moore, J. R.,** Guerra, Z., Heydarian, N., Londoño, T., & Castro, Y. (2020, October 15-16). *Independent effects of positive and negative affect on health risk behaviors among Latino adults* [Poster presentation]. The National Hispanic Science Network on Drug Abuse (NHSN), New Orleans, LA, United States. <https://www.the-nhsn.org/Conference/>
9. **Moore, J. R.,** DiNitto, D., & Choi, N. (2020, October 7). *Associations of marijuana use, use frequency, and cannabis use disorder with ambulatory care utilization and screenings for substance use in ambulatory settings* [Poster presentation]. Association for Medical Education and Research in Substance Abuse (AMERSA) 2020 Conference, Boston, MA, United States.
<https://amersa.org/conference/>
10. **Moore, J. R.,** & Chen, Q. (2020, February 7). *Associations of past year marijuana use and marijuana use disorder with residence in large versus small metropolitan and non-metropolitan counties* [Poster presentation]. Texas Research Society on Alcoholism (TRSA) Scientific Meeting, Bryan, TX, United States.
11. Hill, L. G., **Moore, J. R.,** Young, V. S., Erickson, C. E., & Velasquez, M. M. (2020, April 2-5). *Interprofessional SUD and SBIRT Training for Health Professions Students* [Poster presentation]. American Society of Addiction Medicine Annual Conference – Innovations in Addiction Medicine and Science, Denver, CO, United States.
12. Londono, T., **Moore, J. R.,** Guerra, Z., & Castro, Y. (2020). *Interpersonal determinants of smoking cessation*. Collaborate Perspectives on Addiction Annual Meeting, San Diego, CA. (Conference cancelled).
13. Guerra, Z., **Moore, J. R.,** Londono, T., Heydarian, N., & Castro, Y. (2020). *Smoking social norms among Mexican-Origin Smokers*. (Conference cancelled).
14. **Moore, J. R.** (2018). *Predictors of recidivism among individuals released from the Iowa Department of Corrections* [Poster presentation]. Research Without Walls Symposium, Washington University in St. Louis, St. Louis, MO, United States.

15. **Moore, J. R., & Mennicke, A. M. (2017).** *Empathy deficits and perceived permissive environments: Sexual harassment perpetration on college campuses* [Poster presentation]. Undergraduate Research Symposium, UNC Charlotte, Charlotte, NC, United States.

RESEARCH EXPERIENCE

- November 2019 – present **Research Associate**
Health Disparities Research Lab
Steve Hicks School of Social Work, The University of Texas at Austin
- Supports the development and dissemination of lab presentations and manuscripts.
 - Assists with data management and data analytic tasks for manuscript development using quantitative and qualitative data.
 - Co-author on manuscripts using data from two studies funded by the National Cancer Institute and the American Cancer Society (study 1), as well as the National Institute for Minority Health and Health Disparities (study 2).
 - *Substantive areas of research focus:*
Health behaviors, tobacco, determinants of health behaviors, health disparities.
- August 2019 – present **Research Associate**
Health Behavior Research and Training Institute
Steve Hicks School of Social Work, The University of Texas at Austin
- Provides data management and logistical support for a randomized clinical trial designed to prevent substance-exposed pregnancy.
 - Supports the development and delivery of lab presentations and manuscripts.
 - Manages and analyzes data and assists with manuscript preparation for the NIDA-funded Project TIP randomized clinical trial.
 - *Substantive areas of research focus:*
Health behaviors, behavior change, substance use, substance misuse.
- July 2020 – present **Co-Investigator**
Dell Medical School and Community First! Village
- Manages data on a community-informed quality improvement project to support neighbors in recovery at Community First! Village.
 - Conducts data analysis and author reports for the community advisory board.
 - Trains and supervises research assistants on participant interview and data entry tasks.
 - Co-authored study protocols submitted to the Institutional Review Board.
 - Co-developed the assessment tool that includes standardized measures to assess substance use behaviors, recovery capital, and community recovery culture.
 - *Substantive areas of research focus:*
Recovery, people experiencing homelessness, housing-first, substance use.

January 2021 –
August 2021

Research Associate

Health Optimization and Program Engagement (HOPE) Lab

Steve Hicks School of Social Work, The University of Texas at Austin

- Collaborated on a pilot study that tested the feasibility and acceptability of a biofeedback tool for the management of cravings and stressors for individuals in substance use recovery.
- Served as a liaison for recovery support specialists who recruit and train study participants in how to use the biofeedback tool.
- Aided the development and dissemination of project deliverables.
- *Substantive areas of research focus:*
Recovery, biofeedback, opioid use disorder, technology delivered interventions.

May 2018 –
December 2018

Research Practicum Student

Washington University in St. Louis

- Collected and managed data for a study that assessed the effectiveness of buprenorphine and vivitrol for opioid use disorder at a Missouri state-contracted treatment agency.
- Study approved as an addendum to the Missouri Opioid STR Grant.
- Authored the Institutional Review Board addendum submission.
- Oversaw data collection and data entry procedures into RedCap.
- *Substantive areas of research focus:*
Opioid use disorder, MAT, detoxification.

December 2018 –
August 2019

Research Technician

Institute for Justice Research and Development

College of Social Work, Florida State University

- Provided data management and analysis, codebook development, and manuscript development support for the Safe Streets and Second Chances randomized clinical trial.
- Conducted weekly data cleaning tasks using RedCap, Microsoft Excel, and SPSS.
- Assisted with the development and dissemination of project deliverables.
- *Substantive areas of research focus:*
Prisoner reentry, trauma, stress, substance misuse, opioid rural interventions, MAT.

July 2018 –
December 2018

Research Assistant

Institute for Justice Research and Development

College of Social Work, Florida State University

- Collaborated on the Safe Streets and Second Chances Initiative, a national randomized clinical trial.
- Research support tasks consisted of data analysis from multiple national data sources, including opioid epidemic data and prison facility figures.

- Conducted thorough literature reviews to support the development of manuscripts.
- *Substantive areas of research focus:*
Prisoner reentry, trauma, stress, substance abuse, opioid rural interventions, MAT.

January 2018 –
August 2018

Research Assistant

Missouri Opioid State Targeted Response (STR) Grant

Missouri Institute of Mental Health, University of St. Louis, Missouri

- Supported the evaluation of the National Substance Abuse and Mental Health Services Administration's (SAMHSA) STR block grant to combat the opioid epidemic in Missouri (\$20,000,000).
- Assisted with data analysis and the preparation of an annual evaluative report presented to the Missouri Department of Mental Health.
- Co-developed PowerPoint presentations with an emphasis on developing high-quality visual graphics of service delivery outcomes for the Missouri Department of Mental Health.
- *Substantive areas of research focus:*
Opioid use disorder, MAT, EMT overdose response, treatment outcomes.

May 2018 –
August 2018

Research Assistant

Missouri Overdose Rescue and Education Project (MORE)

Missouri Institute of Mental Health, University of St. Louis, Missouri

- Provided implementation support to the MORE project grant, which was designed to improve the response capacity of first responders in rural Missourian counties in opioid overdose events.
- Co-authored the measures section of the grant evaluation plan and authored the codebook to outline data analysis procedures and guide manuscript preparation.
- Oversaw data entry of pre and post surveys collected from trainings of rural Missouri first responders using Microsoft Excel and Qualtrics.
- *Substantive areas of research focus:*
Opioid overdose responses, data analysis, methodology, rural interventions.

January 2018 –
May 2018

Research Practicum Student

Criminal Justice Ministry (CJM)

St. Louis, Missouri

- Evaluated programs offered by the St. Louis Community Release Center for individuals transitioning from incarceration to the community.
- Conducted interviews with agency inmates, parole officers, and program facilitators.
- Developed mixed methods pre and post intervention surveys.
- Authored an evaluative report to Criminal Justice Ministry and the Missouri Department of Corrections.

- *Substantive areas of research focus:*
Prisoner reentry, program evaluation, measure development, quality improvement.

August 2017 –
May 2018

Research Practicum Student

Institute for Justice Research and Development
Washington University in St. Louis

- Co-developed the Reentry Well-Being Assessment Tool that is currently in use in a national randomized clinical trial.
- Conducted a thorough psychometric evaluation of relevant measures for inclusion in the Reentry Well-Being Assessment Tool.
- Authored a report of the psychometric measures evaluation and presented findings to the Institute for Justice Research and Development leadership team.
- *Substantive areas of research focus:*
Prisoner reentry, 5 Key Model for Successful Reentry, decarceration.

October 2016 –
December 2017

Research Assistant

University of North Carolina at Charlotte

- First author of a manuscript that examined perceptions of the impact of sexual harassment victimization experiences among collegiate students.
- Conducted an extensive literature review of determinants of sexual harassment perpetration among the general population and young adults, respectively.
- Oversaw the manuscript development and editing process.
- *Substantive areas of research focus:*
Sexual harassment, perpetration, victimization, empathy, institutional support.

TEACHING INTERESTS

Substance misuse among special populations; health behaviors; quantitative research methods; organizations and communities; generalist practice for substance misuse; program evaluation; human behavior in the social environment

TEACHING EXPERIENCE

January 2022–
May 2022

The University of Texas at Austin
Assistant Instructor
Social Work Research Methods

- Taught 26 undergraduate social work students in an in-person course that focuses on research methods used by social work practitioners.

- Designed and authored the course syllabus, course lectures, and course assignments.
- Graded all course assignments within one week of submission to provide students immediate and relevant feedback.
- Created a measure development lab workshop to train students to ascertain the connection between their research questions, variables of interest, and types of measurement instruments used.
- Earned high ratings of over 4 on all UT Austin's Course Instructor Survey items (5.0 scale).
- Received an overall instructor rating of 4.8 (5.0 scale).
- Received a 5.0 rating (5.0 scale) on items assessing instructor preparation, knowledge, grading promptness, and clearly defined course objectives.

August 2021-
December 2021

The University of Texas at Austin
Assistant Instructor
Social Work Research Methods

- Taught 21 undergraduate social work students in an in-person course that focused on research methods used by social work practitioners.
- Designed and authored the course syllabus, course lectures, and course assignments.
- Implemented course assignments that facilitated student engagement with the course material to promote their professional development.
- Graded all course assignments within one week of submission to provide students immediate and relevant feedback.
- Created a measure development lab workshop to train students to ascertain the connection between their research questions, variables of interest, and types of measurement instruments used.
- Earned high ratings of over 4 on all UT Austin's Course Instructor Survey items (5.0 scale).

January 2020 –
May 2020

The University of Texas at Austin
Teaching Assistant
Young People and Drugs, Dr. Lori Holleran-Steiker

- Facilitated lectures on addiction research and clinical assessments.
- Provided project support to students.
- Created quizzes and developed other course assignments.
- Led group discussions on course content.

January 2020 –
May 2020

The University of Texas at Austin
Intellectual Entrepreneurship Mentor

- Mentor to an undergraduate student in the Pre-Graduate School Internship Program.
- Three-credit course designed for mentee to engage in mentor-led research projects.

- Assisted with the development of the student's research proposal project.
- Provided mentorship and insight into preparing for graduate school.

August 2018 –
December 2018

Washington University in St. Louis
Teaching Assistant
MSW Research Seminar, Dr. Brett Drake

- Assisted students with research project design and data management.
- Instructed students on SAS and SPSS coding.
- Provided data analytic and statistical consulting support.
- Conducted class lectures and presented findings from past research projects.

COURSE GUEST LECTURES

1. **Moore, J.M.** (October 2021). *Substance use recovery and harm reduction: clinical considerations*. The University of Texas at Austin. Invited guest lecture, Individual and Family Practice class at The University of Texas at Austin, TX.
2. **Moore, J.M.** (April 2021). *Formal and informal pathways to substance use recovery*. Invited guest lecture, Dynamics of Substance Use Disorders class at The University of Texas at Austin, TX.
3. **Moore, J.M.** (March 2021). *Motivation and emotion*. Invited guest lecture, General Psychology class at The University of Texas at Austin, Austin, TX.
4. **Moore, J.M.** (October 2020). *Technology and social work practice*. Invited guest lecture, Social Work Practice in Organizations and Communities class at The University of Texas at Austin, Austin, TX.
5. **Moore, J.M.** & Chen, Q. (September 2020). *Scoping review strategies*. Invited guest lecture, Colloquium on Issues in Social Work Education and Research class at The University of Texas at Austin, Austin, TX.
6. **Moore, J.M.** (November 2019). *Predictors of criminal justice system recidivism*. Invited guest lecture, Evidence Based Practice Skills for BSW Graduates class at Washington University in St. Louis, St. Louis, MO.

STUDENT MENTORING

August 2020 –
May 2021

Mentor and statistical consultant for Kylie Northam's Health Science Scholars thesis.

January 2020 –
May 2020

Mentor and statistical consultant for Meghana Gogineni's Health Science Scholars thesis.

ACADEMIC SERVICE

September 2019 – May 2020	Ph.D. Committee Student Representative The University of Texas at Austin <ul style="list-style-type: none"> • Doctoral student representative for the UT Austin Social Work Ph.D. Faculty Committee.
2020 – present	Journal Reviewer <i>Journal of Sexual Aggression</i>
2021 – present	Journal Reviewer <i>Crime and Delinquency</i>
2021 – present	Journal Reviewer <i>Journal of Drug Issues</i>
2022 – present	Journal Reviewer <i>Addictive Behaviors</i>

PRACTICE EXPERIENCE AND SERVICE

February 2019 – August 2019	<i>Program Evaluator</i> National Council on Alcoholism and Drug Abuse (NCADA) <ul style="list-style-type: none"> • Completed data management, measure development, and outcomes assessment tasks for alcohol and substance use prevention and counseling services offered by NCADA. • Authored an evaluation report of outcomes for a transition counseling program for adolescents referred for substance misuse services. • Data management tasks included Microsoft Access, Microsoft Excel, and SPSS entry, coding, and analysis.
August 2016 – August 2017	<i>Clinical Assistant</i> Dilworth Center <ul style="list-style-type: none"> • Assessed the agency's compliance with CARF accreditation standards. • Administrated the MAP Aftercare pilot program for clients transitioning to continuing care. • Co-facilitated weekly family group sessions with relatives of clients diagnosed with a substance use disorder. • Served as a peer recovery coach for clients and family members of clients.
August 2016 – May 2017	<i>Practicum Student</i> Mecklenburg County Department of Social Services <ul style="list-style-type: none"> • Engaged in client assessments, interventions, and program evaluation efforts.

- Assisted with the implementation of Project CARE, a state-sponsored respite service for caregivers.
- Assisted with the development of a survey measure given to attendees of a caregiver conference sponsored by the agency.
- Authored and presented an evaluative report to the Project Care leadership team.

November 2016 –
June 2017

Tutor

Boys to Men Foundation

- Created a tutoring program for students residing in a low-income neighborhood in collaboration with a fellow BSW student and the Boys to Men Foundation.
- Facilitated weekly sessions that provided individual tutoring to students at the Stratford Richardson YMCA.
- Coordinated with parents/guardians and Boys to Men Foundation staff on scheduling and the progress of students.

August 2016 –
May 2017

Communication Consultant

The University of North Carolina at Charlotte

- Worked as a liaison between School of Social Work faculty BSW program students.
- Utilized individual and group consultations with students to augment their comprehension of social welfare policies within a historical framework.
- Collaborated with students in constructing essay assignments and oral presentations.
- Graded assignments for content quality and APA formatting.

May 2016 –
August 2016

Intern

InReach

- Authored a client satisfaction survey for clients in the InReach group home program.
- Administered the survey in-person to clients at each of the 14 group home locations.
- Authored an evaluative report that depicted survey results and their application to desired agency outcomes.

TRAININGS AND CERTIFICATIONS

Fall (2020)

Teaching preparation series. Training at The University of Texas at Austin: Faculty Innovation Center, Austin, TX. Received Teaching Certificate.

PROFESSIONAL AFFILIATIONS

Member of the Texas Research Society on Alcoholism (TRSA)	2019-present
Member of the Society for Social Work and Research (SSWR)	2019-present
Member of the National Association of Social Workers (NASW)	2017-present
