

Madison D. Haiman
Doctoral Student, The University of Texas at Austin
School of Social Work

madison.haiman@utexas.edu | [ResearchGate](#) | [LinkedIn](#)

EDUCATION

- 05.2026 (anticipated) The University of Texas at Austin, Austin, Texas
Doctor of Philosophy in Social Work
- 05.2021 The University of Alabama, Tuscaloosa, Alabama
Master of Social Work
- 09.2019 The University of Alabama, Tuscaloosa, Alabama
Bachelor of Science in Addiction and Recovery, *cum laude*

AWARDS AND HONORS

- 2025-2026 Continuing Fellowship, The University of Texas at Austin Graduate School
- 2025 AcademyHealth Spring Health Policy Fellowship
- 2024-2025 American Public Health Association Maternal and Child Health Section Student Fellowship
- 2024-2025 CDC Preventing Chronic Disease Student Scientific Writing and Review Training Committee
- 2024-2025 2024-2025 Stephens Family Endowed Presidential Fellowship, The University of Texas at Austin School of Social Work
- 2023-2024 Council on Social Work Education Doctoral Policy Fellowship
- 2022-2024 Recruitment Fellowship, The University of Texas at Austin Graduate School
- 2023 Interdisciplinary Association for Population Health Sciences Annual Meeting Section 1 Student Poster Winner
- 2021 Graduate Scholar, The University of Alabama Graduate School
- 2020 Phi Alpha Honors Society Inductee
- 2019-2020 Hill Crest Foundation Endowed Scholarship, The University of Alabama School of Social Work
- 2016-2020 Presidential Scholarship, The University of Alabama
- 2019 Latin Honors (*cum laude*), The University of Alabama
- 2016, 2018, 2019 Dean's List, The University of Alabama

RESEARCH INTERESTS

Maternal Health Equity; Perinatal Substance Use and Mental Health; Maternal and Reproductive Health Policy; Community Based Participatory Research; Implementation Science

(2023, October). *Current preconception health status of individuals who could become pregnant and the impact of geographic region and rurality status* [Conference poster]. Interdisciplinary Association for Population Health Sciences Annual Meeting, Washington, District of Columbia.

RESEARCH EXPERIENCE

05.2025 – Present

Graduate Research Assistant

Promoting Recovery: A Pilot Study for Peer Support Specialists in the Child Welfare System

School of Social Work

The University of Texas at Austin

Areas of focus: substance use, peer support, child welfare system

- Conduct in-depth interviews with peer recovery support specialists working with pregnant and parenting individuals involved in the child welfare system.
- Co-designed and refined a semi-structured interview guide tailored to the unique roles of peer recovery support specialists.
- Code and interpret qualitative data using Atlas.ti to identify themes related to peer support in maternal substance use and child welfare contexts.

05.2024 – Present

Research Assistant

Center to Advance Reproductive Justice and Behavioral Health among Black Pregnant/Postpartum Women and Birthing People

Center for Maternal Health Equity

Morehouse School of Medicine in Atlanta, Georgia

Areas of focus: maternal health equity, prenatal substance use, community-based research, health policy

- Engage in community-based participatory research to identify maternal behavioral health priorities among Black birthing people.
- Conducted qualitative interviews with individuals with lived experience of substance use during pregnancy and maternal health experts.
- Co-developed and refined interview protocols based on ethical and community-informed practices.
- Analyze qualitative data using Dedoose to surface community-defined health priorities.
- Contribute to the dissemination of findings through academic and non-academic channels.

09.2022 – Present

Research Associate

Health Behavior Research and Training Institute

The University of Texas at Austin in Austin, Texas

Areas of research focus: substance use, preventative health, transtheoretical model, motivational interviewing, quantitative methods

- Contribute to the development and publication of peer-reviewed manuscripts on substance use.
- Collaborate with interdisciplinary research teams to advance substance use prevention research.

11.2021 – Present

Research Assistant

Improving Preconception Actions and Choices for Tomorrow

Center for Maternal Health Equity

Morehouse School of Medicine in Atlanta, Georgia

Areas of research focus: maternal health equity, implementation science, community-based research, preventative health, mixed methods

- Lead a multidisciplinary implementation science workgroup to develop and tailor implementation strategies for a brief preconception counseling intervention.
- Collaborate with community stakeholders and research team to align implementation strategies with organizational capacities and community needs.
- Develop and analyze a mixed-methods contextual assessment of 10 community-based organizations using SAS and Dedoose.
- Lead dissemination efforts including academic publications/presentations and community-facing materials.

01.2020-12.2021

Principal Investigator

Exploring Alabama Doulas' Experiences and Opinions Related to Substance Use and Mental Health Challenges Among Pregnant and Postpartum Women

School of Social Work

University of Alabama, in Tuscaloosa, Alabama

- Designed and implemented an original qualitative study investigating doulas' perspectives on perinatal substance use and mental health in Alabama.
- Led recruitment, data collection, and IRB-approved protocol development.
- Analyzed interview data and led manuscript development for peer-reviewed dissemination.

01.2020 - 06.2021

Lab Member

School of Social Work

University of Alabama, in Tuscaloosa, Alabama

Areas of research focus: HIV, sexual health, qualitative methods

- Interviewed expert providers who work with women who are at a higher risk of HIV/AIDS due to criminal justice involvement.
- Co-developed codebook for qualitative analysis.

TEACHING EXPERIENCE

Spring 2025

Teaching Assistant to Dr. Kasey Claborn

Clinical Assessment and Differential Diagnosis

The University of Texas at Austin, in Austin, Texas

- Provided academic support to 21 students, clarifying complex psychopathology and diagnostic frameworks through leading exam review sessions and one on one student meetings.
- Evaluated student performance through grading of written exams and case studies, ensuring consistency with clinical assessment standards.

Spring 2025

Teaching Assistant to Dr. Yolanda Padilla

Foundations of Social Justice

The University of Texas at Austin, in Austin, Texas

- Supported 25 students in developing critical thinking around systems of oppression, equity, and justice in social work practice.
- Delivered constructive, values-aligned feedback on written assignments and projects to deepen student engagement with course material.

Fall 2024

Teaching Assistant to Dr. Kasey Claborn

Society and Drugs Signature Course

The University of Texas at Austin, in Austin, Texas

- Co-developed course content focused on social, historical, and policy dimensions of substance use and addiction.
- Facilitated three weekly discussion sections (17 students each) on civil discourse to explore complex and controversial substance-related issues.
- Advised and provided content expertise to 51 undergraduate students, fostering interdisciplinary engagement.
- Assessed student learning through grading of quizzes, analytical papers, and group presentations

Fall 2024

Teaching Assistant to Dr. Kirk von Sternberg

Structural Equation Modeling

The University of Texas at Austin, in Austin, Texas

- Provided technical assistance on SPSS and AMOS software platforms required for statistical analysis.
- Clarified statistical content and concepts introduced in lectures.

GUEST TEACHING

6. **Haiman, M.D.** (July 2025) *Prenatal Substance Use Policy Review*. Invited guest lecture, Policy Theory at The University of Texas at Austin, Austin, Texas.

5. **Haiman, M.D.** (March 2025) *Schizophrenia and Other Psychotic Disorders*. Invited guest lecture, Clinical Assessment and Differential Diagnosis at The University of Texas at Austin, Austin, Texas.
4. **Haiman, M.D.** (October 2024) *Substance Use and Pregnancy*. Invited guest lecture, Society and Drugs Signature Course at The University of Texas at Austin, Austin, Texas.
3. **Haiman, M.D.** (October 2024) *How Media Impacts Substance Use Disorder Stigma*. Invited guest lecture, Society and Drugs Signature Course at The University of Texas at Austin, Austin, Texas.
2. **Haiman, M.D.** (November 2023). *Health Policy*. Guest lecture, Social Welfare Program, Policies, and Issues at The University of Texas at Austin, Austin, Texas.
1. **Haiman, M.D.** (October 2023). *Cross Tabulation Resources Between Variables*. Guest lecture, Social Work Statistics at The University of Texas at Austin, Austin, Texas.

SERVICE

UNIVERSITY SERVICE

2023	Conference Volunteer, Interdisciplinary Association of Population Health Sciences 2023 Annual Conference

PROFESSIONAL EXPERIENCE

01.2025-05.2025	<i>Health Policy Fellow</i> AcademyHealth, Virtual <i>Advanced AcademyHealth's mission and objectives through advocacy efforts such as meeting with congressional offices, developing one pagers, writing blog</i>
-----------------	---

posts, and leading responses to requests for information from federal government offices.

- 10.2023 - 05.2024 **Doctoral Student Policy Fellow**
Council on Social Work Education, Virtual
Advocated for policies to support the social work profession to federal congressional offices.
- 06.2020 - 06.2021 **SBIRT Intern**
VitAL Alabama, Tuscaloosa, Alabama
Reviewed screening assessments, administered brief interventions, and provided referrals to treatment to clients when needed.
- 09.2019 - 04.2020 **MSW Intern**
The Bridge Inc., Tuscaloosa, Alabama
Collected and analyzed annual client data for grant audits. Observed family and individual therapeutic sessions led by a social worker.
- 06.2019 - 08.2019 **Care Management Intern**
Still Waters for Women, Pegram, Tennessee
Provided 1 on 1 support and attended/gave feedback during group therapy sessions to clients. Participated in staff meetings regarding patient behaviors, needs, and disciplinary actions.
- 08.2018 - 05.2019 **Case Manager**
Collegiate Recovery and Intervention Services at The University of Alabama, Tuscaloosa, Alabama
Maintained a caseload of 8 clients. Attended and advocated for clients at weekly multidisciplinary meetings and Drug Court hearings.
