

THE UNIVERSITY OF TEXAS AT AUSTIN
Steve Hicks School of Social Work

FULL NAME: Catherine Cubbin **TITLE:** Professor

DATE OF BIRTH: April 26, 1969

CITIZENSHIP: U.S.A.

EDUCATION:

Johns Hopkins University	Health and Social Policy	Ph.D.	Spring 1998
	Minor concentration: History of Public Health		
University of Pennsylvania	History and Sociology of Science	B.A.	Fall 1991
Temple University	Honors Program		1987-1989

PROFESSIONAL REGISTRATION, LICENSES, CERTIFICATION: n/a

PROFESSIONAL APPOINTMENTS

2017-present	Full Member, LIVESTRONG Cancer Institutes, Dell Medical School
2017-present	Faculty Expert, Institute for Urban Policy Research & Analysis, University of Texas at Austin, Austin, TX
2016-present	Professor & Associate Dean for Research, Steve Hicks School of Social Work, University of Texas at Austin, Austin, TX
2008-2016	Associate Professor, Steve Hicks School of Social Work, University of Texas at Austin, Austin, TX
2008-present	Faculty Associate, Center for Women's & Gender Studies, University of Texas at Austin, Austin, TX
2008-present	Faculty Affiliate, Health Behavior Research and Training Institute, Steve Hicks School of Social Work, University of Texas at Austin, Austin, TX
2006-present	Faculty Research Associate, Population Research Center, University of Texas at Austin, Austin, TX
2005-2008	Adjunct Assistant Professor, University of California San Francisco, San Francisco, CA, Department of Family & Community Medicine, Center on Social Disparities in Health
2002-2004	Assistant Research Scientist, University of California San Francisco, San Francisco, CA, Department of Family & Community Medicine, Center on Social Disparities in Health

OTHER ACADEMIC EXPERIENCE

2000-2001	Principal Analyst, University of California San Francisco, San Francisco, CA, Department of Family & Community Medicine
2001-2004	Research Associate, Stanford Prevention Research Center, Palo Alto, CA
Fall 2000	Research Analyst, Stanford Prevention Research Center, Palo Alto, CA

1998-2000 NHLBI Post-Doctoral Fellow, Stanford Prevention Research Center, Palo Alto, CA, Cardiovascular Disease Prevention Training Program

1996-1998 ASPH/CDC Research Fellow, National Center for Health Statistics, Hyattsville, MD, Analysis of spatial patterns of leading causes of death

1995-1996 Intern, National Center for Health Statistics, Hyattsville, MD

1995-1996 Program Coordinator, Kennedy Krieger Institute, Baltimore, MD, Community-based lead poisoning prevention program in Baltimore

Summer 1994 Intern, Clinical Directors Network, NY, NY, Health Research Training Program, NYC Department of Health

1992-1994 Research Assistant, Johns Hopkins University Bloomberg School of Public Health, Baltimore, MD

RESEARCH CONTRACTS/GRANTS AND PROPOSALS SUBMITTED

Sponsor	Role	Title	Project period	Amount(s)	Status
National Institutes of Health	Principal Investigator/Project Director	Post-doctoral Training in Promoting Health Equity in Cardiovascular Disease	2018-2023	\$1,628,719	Awarded
St. David's Foundation	Co-Investigator	Achieving health equity: Improving the maternal postpartum access and outcomes of Black/African American women in Travis County	2018-2019	\$299,999	Awarded
St. David's Center for Health Promotion & Disease Prevention Research in Underserved Populations	Principal Investigator	Longitudinal neighborhood poverty change and racial disparities in birth outcomes	2017-2018	\$10,985	Awarded
National Institutes of Health	Co-Investigator	Limited English Proficiency: Implications for Health and Health Care among Older Immigrants	2014-2019	\$1,742,874	Awarded
Institute for	Co-Investigator	Understanding the	2016-2017	\$20,500	Completed

Urban Policy Research & Analysis, UT Austin		Family Medical Leave Act and neighborhood histories on infant mortality and low birthweight of babies born to Black women			
Cancer Prevention and Research Institute of Texas	Principal Investigator (subcontract)	Increasing Breast and Cervical Cancer Screening and Diagnostic Services in Rural, Frontier, and Border Counties: A Sustainable Strategy to Improve Early Detection	2012-2015	\$236,154	Completed
American Cancer Society	Principal Investigator	Environmental effects on disparities in smoking and obesity among women	2011-2015	\$1,530,000	Completed
Texas Department of State Health Services	Principal Investigator (subcontract)	Transformation Grant	2011-2014	\$116,803	Completed
University of Texas at Austin	Co-Principal Investigator	Examining relations between residential segregation, political empowerment, and adverse birth outcomes among US births from 2008-2010.	2013	\$750	Completed
University of Texas at Austin	Principal Investigator	Vegetables On Wheels (VOW): A pilot program to increase access to fresh fruits and	2012	\$6,000	Completed

		vegetables in a rural Texas community			
Texas Department of State Health Services	Principal Investigator	Obesity Prevention ARRA Evaluation	2010-2012	\$220,000	Completed
American Legacy Foundation	Principal Investigator	Measuring wealth in health disparities research: Practical recommendations	2008-2010	\$57,742	Completed
Texas Department of State Health Services	Co-Investigator	Texas Teen Opportunity Project	2009-2010	\$361,641	Completed
Robert Wood Johnson Foundation	Principal Investigator (sub-contract)	Building the knowledge base on the socioeconomic gaps in health: Robert Wood Johnson Foundation Commission on Health in America	2008-2009	\$56,134	Completed
Population Research Center, UT Austin	Principal Investigator	Proposal Boot Camp	2007	\$9,270	Completed
National Institutes of Health	Principal Investigator (sub-contract)	Neighborhood-level Influences on All-Cause Mortality	2006-2007	\$65,458	Completed
National Institutes of Health	Co-Investigator	Maintaining Physical Activity in Ethnic Minority Women	2005-2007	\$2,303,240	Completed
Robert Wood Johnson Foundation	Co-Investigator	Building the knowledge base on the socioeconomic gaps in health: Robert Wood Johnson Foundation Commission on	2005-2006	\$266,104	Completed

		Health in America			
Centers for Disease Control	Co-Investigator	Center on Social Disparities in Health	2002-2006	\$1,714,781	Completed
National Institutes of Health	Consultant	Longitudinal Study of Neighborhood Predictors of CVD	2002-2006	\$1,763,132	Completed
National Institutes of Health	Co-Investigator	Neighborhood-level Influences on All-Cause Mortality	2001-2005	\$2,332,623	Completed
Kaiser Family Foundation	Co-Investigator	Interpreting Social Disparities in Maternal and Infant Health at the State Level	2000-2002	\$216,529	Completed
Centers for Disease Control	Co-Investigator	Social Disparities in Maternal and Infant Health	2000-2006	\$374,872	Completed
St. David's Foundation	Evaluator	The Mama Collaborative	2018-2019	\$93,298	Rejected
St. David's Foundation	Collaborator	Achieving Maternal and Infant Health Equity in Central Texas	2017-2019	\$99,992	Rejected
Dell Medical School, Texas Health Catalyst Program	Principal Investigator	SoDePH (Social Determinants of Perinatal (Population) Health: Leveraging Technology to Deliver Efficient Care for Providers, Patients, & Health Systems	2017-2018	\$50,000	Rejected
University of Texas at Austin	Co-Investigator	UT Pop Up Institute: Analyzing housing problems facing low income renters in formal and informal housing markets: linking analysis to action through collaborative	May-June, 2017	\$34,173	Rejected

		research			
Cancer Prevention and Research Institute of Texas	Principal Investigator (subcontract)	Increasing Breast and Cervical Cancer Screening and Diagnostic Rates in Rural, Frontier, Border and Underserved Communities in Texas	2016-2018	\$120,451	Rejected
National Institutes of Health	Principal Investigator	Longitudinal neighborhood poverty change and racial disparities in birth outcomes	2016-2018	\$147,199	Rejected
National Institutes of Health	Principal Investigator	Contributions of neighborhood socioeconomic histories to Black/White disparities in birth outcomes and mortality	2016-2019	\$1,511,325	Rejected
National Institutes of Health	Principal Investigator	Novel approaches to examining Black/White disparities in birth outcomes and child health	2015-2018	\$1,284,860	Rejected
National Institutes of Health	Consultant	Are Road Safety Advances Distributed Equitably?	2012/2014	\$525,300	Rejected
National Institutes of Health	Co-Investigator	Maternal Weight in Pregnancy: Risks for Hispanic Women on the US-Mexico Border	2011-2013	\$750,000	Rejected
National Institutes of Health	Principal Investigator	Building Evidence for Residential Effects on Dietary Habits and Physical Activity	2009-2013	\$2,089,028	Rejected
National Institutes of Health	Principal Investigator	Innovation in Understanding	2009-2011	\$669,820	Rejected

Health		Disparities in Maternal and Infant Health			
American Society of Clinical Oncology	Co-Principal Investigator (with Barbara Jones)	The ASCO Study of Geographical Access to Oncology Care	2010-2011	\$169,471	Rejected
National Campaign to Prevent Teen and Unplanned Pregnancy	Principal Investigator	Coming out of the Fog Zone: How lack of knowledge, beliefs and fears are related to unprotected sexual behavior	2010-2011	\$39,884	Rejected
National Institutes of Health	Co-Investigator	Life Course Socioeconomic Factors & the Black/White Disparity in Low Birthweight	2006-2008	\$307,250	Rejected

HONORS AND AWARDS

- 2017 University of Texas Executive Management and Leadership Program, Spring, 2017
- 2017 High Abstract Award, International Conference on Transport & Health, Barcelona, Spain, June, 2017
- 2015-2016 Public Voices Fellow, Op-Ed Project
- 2015 Dissertation Co-Chair for doctoral student, Paula Yuma, recipient of the Outstanding Dissertation Award given by University of Texas at Austin
- 2014 Texas A&M AgriLife Extension Superior Service Awards Program, Community Transformation Team: Working on Wellness in Starr County
- 2014 ORAU, Travel Grant
- 2010 Award of Appreciation for commitment and dedication to reducing tobacco-related health disparities by advancing the science, translating knowledge into practice, and informing policy, Tobacco Research Network on Disparities (TReND)
- 2010-2011 *Diversity Mentoring Fellowship*, awarded on a competitive basis to faculty for the purpose of mentoring incoming graduate students, University of Texas at Austin
- 2008-2009 *Faculty Fellow*, Center for Women's and Gender Studies Faculty Development Program, University of Texas at Austin
- 2008 Faculty Incentive Grant, College of Liberal Arts, University of Texas at Austin, \$2,000
- 2001-2006 *Health Disparities Scholar*, NCMHD, NIH
- 2005 UCSF Academic Senate, Travel Grant
- 2004 *Champion of Diversity*, University of California, San Francisco
- 2002 Plenary Speaker, Injury Prevention: Creating an Agenda for Action, Springfield,

- Illinois
- 2002 Distinguished Visiting Scholar, University of Kansas Medical Center, Program in Disparities and Diversity in Health
- 2000 Fellow, 26th Ten-Day Seminar on the Epidemiology and Prevention of Cardiovascular Disease, American Heart Association, Tahoe City, CA
- 1998-2000 Post-Doctoral Fellow, National Heart, Lung, and Blood Institute, NIH
- 1999 Katherine McCormick Fund for Women, Travel Award
- 1998 Delta Omega Society/Alpha Chapter, Johns Hopkins University Bloomberg School of Public Health
- 1996-1998 Pre-Doctoral Fellowship, Association of Schools of Public Health/CDC
- 1994 Passed comprehensive exams with distinction
- 1987-1989 Outstanding Achievement Scholarship, Temple University

PRESENTATIONS

Invited

Neighborhood SES and preterm birth (& other outcomes) revisited: comparing cross-sectional measures to longitudinal poverty trajectories, Steve Hicks School of Social Work, BSW Research Methods guest lecture, April 10, 2018.

Neighborhood SES and preterm birth (& other outcomes) revisited: comparing cross-sectional measures to longitudinal poverty trajectories, School of Social Services Administration, University of Chicago, March 29, 2018.

Panelist for the Otis Lecture given by Sacoby Miguel Wilson, Environmental Justice, Racism, and Health Disparities: Use of Community-Engaged Research for Capacity-Building, "Inpowerment," and Action, March 21, 2018.

An Introduction to Hierarchical Linear Modeling, Austin Independent School District, 11/3/17.

Writing op-eds to advance social justice & public health, Annual Meeting of the American Public Health Association, Atlanta, GA, 11/6/17.

Neighborhood Effects Research from a Social Epidemiology Lens, guest lecture for Social Inequality, Health, and Policy, March 20, 2017.

Contextual Factors and Inequalities in Health and Mortality, Population Association of America 2017 Annual Meeting, Chicago, IL, April 28, 2017.

Social justice and health: How to think like a social scientist, Young Scientist Day, Travis Heights Elementary School, November 10th, 2016.

Research Activities in the Steve Hicks School of Social Work. Presentation to the Steve Hicks School of Social Work Advisory Council, The University of Texas at Austin, October 14, 2016.

Tailoring your Mentoring Experience and Other Useful Tips: Are you getting what you need from your mentor? Post-Doc Appreciation (Professional Development) Week, The University of Texas at Austin, September 21, 2016.

Social Cohesion and Food Insecurity: Insights from the Geographic Research on Wellbeing (GROW) Study, School of Nursing, The University of Texas at Austin, September 9, 2016.

Friend to Friend + PN: Increasing Breast & Cervical Cancer Screening among Rural Women, Steve Hicks School of Social Work, University of Texas at Austin, June 20, 2016.

Neighborhood Effects Research from a Social Epidemiology Lens: An Overview and New Results on Smoking Cessation, Steve Hicks School of Social Work, University of Texas at Austin, April 5, 2016.

Neighborhood Effects Research from a Social Epidemiology Lens: An Overview and New Results on Preterm Birth, Steve Hicks School of Social Work, University of Texas at Austin, February 18, 2016.

Neighborhood Selection: Latest Findings from the Geographic Research on Wellbeing (GROW) Study, Population Research Center, UT Austin, November 20, 2015.

Beyond the Cross-sectional: Neighborhood Poverty Histories and Preterm Birth, Clinical

Directors Network, webcast, July 30, 2015.

Social inequalities in multiple chronic disease risk factors among a population-based sample of Latinas in California, National Hispanic Science Network, San Antonio, June 26, 2015.

Social Inequalities in Health: Race, Class, and Residential Segregation, Alumni College, University of Texas at Austin, June 10, 2015.

Lessons learned in developing a research agenda: Neighborhood Context and Maternal and Child Health, School of Medicine, Johns Hopkins University, May 7, 2015.

The Geographic Research on Wellbeing (GROW) Study: Effects of Neighborhood Change on Pre-term Birth, Kinder Institute Urban Health Program, Rice University, April 14, 2015.

Neighborhood Effects Research from a Social Epidemiology Lens: An Overview and New Results on Preterm Birth, School of Nursing, University of Texas at Austin, February 20, 2015.

The Geographic Research on Wellbeing (GROW) Study: Effects of Neighborhood Change on Pre-term Birth, Population Studies and Training Center, Brown University, February 4, 2015.

Celebrating & Critically Reflecting on 20 Years of The Spirit Of 1848: Passion, Politics, And Public Health, American Public Health Association, November 18, 2014.

The Geographic Research on Wellbeing (GROW) Study: Design & Methodology, Lessons Learned, & Preliminary Results, Population Research Center, UT Austin, October 17, 2014.

Conducting surveys in social work settings: Practical recommendations, webinar for continuing education, Steve Hicks School of Social Work, UT Austin, November 20, 2013.

Going Upstream: A Social Epidemiologist's Research Perspective on Neighborhood Environments and Health, UT Health Sciences Center School of Public Health-Austin Regional Campus, November 13, 2013.

Going Upstream: A Social Epidemiologist's Research Perspective on Neighborhood Environments and Health, Dell Pediatric Research Institute, November 11, 2013.

Texas Putting Prevention to Work: Evaluation Findings, Texas Department of State Health Services Statewide Obesity Summit, Austin, April 11, 2012.

How I got here and important lessons I learned along the way, PhD Colloquium, Steve Hicks School of Social Work, UT Austin, January 25, 2012.

Texas Putting Prevention to Work: Midcourse Evaluation Findings. Texas Department of State Health Services, CDC site visit, Austin, TX, August 26, 2011.

Going upstream: Neighborhood influences on obesity and smoking among women and children. Texas Department of State Health Services, Research Colloquium, Austin, TX, April 26, 2011.

Going upstream: Neighborhood influences on obesity and smoking. Health Promotion: Upstream Approaches to Advancing Health in Underserved Populations, Center for Health Promotion and Disease Prevention Research in Underserved Populations (CHPR), School of Nursing, University of Texas at Austin, March 30, 2011.

Going Upstream: Neighborhood Influences on Smoking and Obesity among Women and Children. Research Colloquium, Steve Hicks School of Social Work, University of Texas at Austin, March 2, 2011.

Recommending feasible measures of wealth for tobacco-related disparities research: Findings from two nationally-representative surveys, Making the Difference in Tobacco-Related Health Disparities Science: TRenD Progress, Process, and Opportunities for Future Investment, Bethesda, MD, October 25, 2010.

How I got here, what I'm doing, and practical lessons I learned along the way, PhD Colloquium,

Steve Hicks School of Social Work, UT Austin, April, 2010.

Community-level theories, Advanced Training Institute in Health Behavior Theory, Madison, WI, July, 2010.

Recommending feasible measures of wealth for health research: Findings from two nationally-representative surveys, Center for Studies in Demography and Ecology, University of Washington, Seattle, WA, March, 2010.

Discussant, “The associations of tobacco outlet density, sales, and marketing with neighborhood demographics, and their impact on smoking cessation: new directions for tobacco control policy,” Society for Research on Nicotine and Tobacco, Baltimore, MD, February, 2010.

Recommending feasible measures of wealth for health research: Findings from two nationally-representative surveys, Population Research Center Brown Bag seminar, UT Austin, February, 2010.

The Robert Wood Johnson Foundation’s Commission to Build a Healthier America—Research and Recommendations, Steve Hicks School of Social Work Advisory Council meeting, UT Austin, October, 2009.

Developing feasible measures of wealth in health research, Tobacco Research Network on Disparities (TReND) meeting, NCI, June, 2009.

Developing feasible measures of wealth in health research, California Center for Population Research, UCLA, May, 2009.

Residential segregation, built environments, and women’s health, Center for Women’s and Gender Studies colloquium, University of Texas Austin, March, 2009.

Social inequalities, neighborhood context, and health, Steve Hicks School of Social Work colloquium, University of Texas Austin, April, 2008.

Measuring SES in studies of racial/ethnic disparities, Tobacco Research Network on Disparities (TReND) meeting, Washington, DC, September, 2006.

Neighborhood context and sexual behaviors among adolescents, Gender, Relationships, and Health conference, Center for Women’s & Gender Studies, University of Texas Austin, October, 2005.

A collaborative effort to examine social disparities in youth assets and risk behaviors, Grantee Meeting, Unintended Teen Pregnancy Prevention Program, CDC, Atlanta, GA, February, 2005.

Neighborhood social context and health: recurring challenges in measurement, Kellogg Disparities Scholars site visit, San Francisco, CA, January, 2005.

Critical reflections on linking social justice and public health, Annual Meeting of APHA, Washington, DC, November, 2004.

Measurement and interpretation of socioeconomic status/position in studies of racial/ethnic disparities in injuries: How can we do better?, Annual Meeting of APHA, Washington, DC, November, 2004.

Discussant, Health and Income Conference, Davis, CA, May 21-22, 2004.

Measuring and interpreting SES/position in studies of racial/ethnic disparities in health, Social Epidemiology Research Division/Cardiovascular Research Institute, Morehouse School of Medicine, Atlanta, GA, March 30, 2004.

Social disparities and neighborhood context: Effects on adolescent sexual behaviors using data from the National Longitudinal Survey of Adolescent Health, Center on Social Disparities in Health/Institute for Health Policy Studies, UCSF, San Francisco, CA, January 26, 2004.

Social disparities and neighborhood context: Effects on adolescent sexual behaviors using data

from the National Longitudinal Survey of Adolescent Health, Division of Reproductive Health and the Division of Adolescent and School Health, CDC, Atlanta, GA, January 22, 2004.

Measuring SES/position in studies of racial/ethnic disparities: Examples from maternal and infant health, APHA pre-conference sponsored by the Black Caucus of Public Health Workers (APHA), the Society for the Analysis of African-American Public Health Issues, and The NETWORK, San Francisco, CA, November 2003.

Measuring SES/position in studies of racial/ethnic disparities: Examples from maternal and infant health, Family Medicine, Karolinska Institute, Stockholm, Sweden, September, 2003.

Spirit of 1848: A Network Linking Politics, Passion, and Public Health, Southern California Public Health Association Annual Meeting, Cerritos, CA, May, 2003.

Neighborhood Socioeconomic Status and Delayed Prenatal Care, Primary Care Research Symposium, UCSF, San Francisco, CA, May, 2003.

Going upstream: Social Disparities in Injury, Injury Prevention: Creating an Agenda for Action, Springfield, IL, July, 2002.

Why are Social Disparities a Public Health Concern, Cook County Hospital, Department of Trauma, Chicago, IL, July, 2002.

A Social Epidemiology Framework for Studies of Socioeconomic and Racial/Ethnic Disparities in Health, University of Kansas Medical Center, Distinguished Visiting Scholar Series, Kansas City, KS, April, 2002.

Going Upstream: Social Inequality and Homicide, TraumaLink Research Center, Children's Hospital of Pennsylvania and University of Pennsylvania, Philadelphia, PA, October, 2000.

Examining Spatial Correlates of Mortality Using GIS, Annual Meeting of APHA, Washington, DC, November, 1998.

Clinical Measures Survey and Evaluation Project, Bureau of Primary Health Care Clinical Measures Pilot Group Meeting, Bethesda, MD, October 11, 1994.

Other presentations

Unsafe Neighborhoods are Associated with Active Transportation among Poor Women, International Conference on Transport and Health, Barcelona, Spain, June 28, 2017.

Are Leisure and Work Physical Activity Associated with Active Transport? Evidence from the GROW study, International Conference on Transport and Health, San Jose, CA, June 15, 2016.

Changes in social/economic circumstances and obesity among women: GROW study, Annual Meeting of APHA, Chicago, IL, November 2, 2015.

Racial/ethnic disparities in depression symptoms during pregnancy among women: The contribution of income and neighborhood poverty, Annual Meeting of APHA, Boston, MA, November 4, 2013.

Depression during pregnancy: Interactions between race/ethnicity, income & neighborhood SES. Society for Epidemiologic Research annual meeting, Boston, MA, June 19, 2013.

Socioeconomic disparities in tobacco-related health outcomes across race/ethnic groups in the United States: National Health Interview Survey 2010, Annual Meeting of APHA, San Francisco, CA, October 28, 2012.

Social inequalities in neighborhood conditions: Spatial relationships between sociodemographic and food environments in Alameda County, California, Annual Meeting of APHA, San

San Francisco, CA, October 29, 2012.

Texas Putting Prevention to Work: A Process-Focused Program Evaluation, Annual Meeting of APHA, San Francisco, CA, October 30, 2012.

Using latent class growth analysis to define neighborhood poverty trajectories over 4 decades in California, Society for Epidemiologic Research annual meeting, Minneapolis, MN, June 30, 2012.

Teen fertility in Texas: A qualitative approach to examining the role of future orientation toward education, Maternal and Child Health Epidemiology annual meeting, San Antonio, TX, December, 2010.

Developing feasible measures of wealth in studies of health, Annual Meeting of APHA, Denver, CO, November, 2010.

Intersection of gender, race/ethnicity, and socioeconomic position in smoking behaviors among menthol and non-menthol smokers, Annual Meeting of APHA, Denver, CO, November, 2010.

Racial/ethnic disparities and teen fertility in Texas: A qualitative approach to examining the role of future orientation, Annual Meeting of APHA, Denver, CO, November, 2010.

Developing feasible measures of wealth in health research, Population Association of America annual meeting, Dallas, TX, April, 2010.

Developing feasible measures of wealth in health research, Society for Epidemiologic Research annual meeting, Anaheim, CA, June, 2009.

Income inequality in obesity among women and men by gender and race/ethnicity, 1988-1994 to 1999-2004. Annual Meeting of APHA, Philadelphia, PA, October 29, 2008.

Excess Mortality among Low SES Adults in High SES Neighborhoods, Department of Family and Community Medicine, UCSF, Colloquium, May 10, 2007.

Exploring mediating & moderating factors on pathways between neighborhood context and initiation of sex among adolescents, Department of Family and Community Medicine, UCSF, research seminar, May 19, 2006.

Does neighborhood poverty contribute to social disparities in maternal and infant health? Annual Meeting of APHA, Philadelphia, PA, December 13, 2005.

Neighborhood deprivation and alcohol consumption: Does the availability of alcohol play a role? Annual Meeting of APHA, Philadelphia, PA, December 13, 2005.

Exploring factors on pathways between neighborhood context and initiation of sex among adolescents, Annual Meeting of APHA, Philadelphia, PA, December 13, 2005.

Neighborhood-level deprivation and health knowledge, behavior changes, and risk of coronary heart disease, Annual Meeting of APHA, Philadelphia, PA, December 12, 2005.

Exploring factors on pathways between neighborhood context and initiation of sex among adolescents, 11th Annual Maternal and Child Health Epidemiology Conference, Miami, FL, December 7, 2005.

Considerations in measuring neighborhood-level socioeconomic context in multilevel analyses of maternal and infant health, 10th Annual Maternal and Child Health Epidemiology Conference, Atlanta, GA, December 9, 2004.

Neighborhood context and sexual behaviors among adolescents: Findings from the National Longitudinal Study of Adolescent Health, 10th Annual Maternal and Child Health Epidemiology Conference, Atlanta, GA, December 9, 2004.

Neighborhood environments and sexual behaviors among adolescents in the U.S., Diversity Week, UCSF, San Francisco, CA, October 20, 2004.

Neighborhood context and sexual behaviors among adolescents: Longitudinal findings, Add Health Users Workshop, NIH, Bethesda, MD, July 21, 2004.

Measuring SES in studies of racial/ethnic disparities: Examples from maternal and infant health, 9th Annual Maternal and Child Health Epidemiology Conference, Tempe, AZ, December 10, 2003.

Pathways between neighborhood-level material deprivation and chronic diseases, Annual Meeting of APHA, San Francisco, CA, November, 2003.
