Approved Trainings for Online Independent Field Education

To receive field hours for completing trainings or teaching modules, students must complete the steps below in full and submit their assignment to their Faculty Liaison.

1. Review the approved training/webinar/teaching module
2. Complete the “Online Training Competency Assignment”
3. Submit the assignment to your Faculty Liaison after ten hours of training are recorded

Trainings not on this pre-approved list, must be approved by a student’s Field Liaison prior to completion in order to receive field hours.

Some trainings have an associated cost that will be the responsibility of the viewer.

Thanks to the UT-SHSSW Professional Development Office and the Jane Addams field fund for providing free online trainings to our students.

You may add 30 minutes to each assignment on your Remote and Online Intern Time Sheet to receive credit for time spent completing “Online Training Competency Assignment” form found at https://socialwork.utexas.edu/field/forms/.
